Volume XVI

*Nature wears the
colors of the
spirit.*
—Emerson

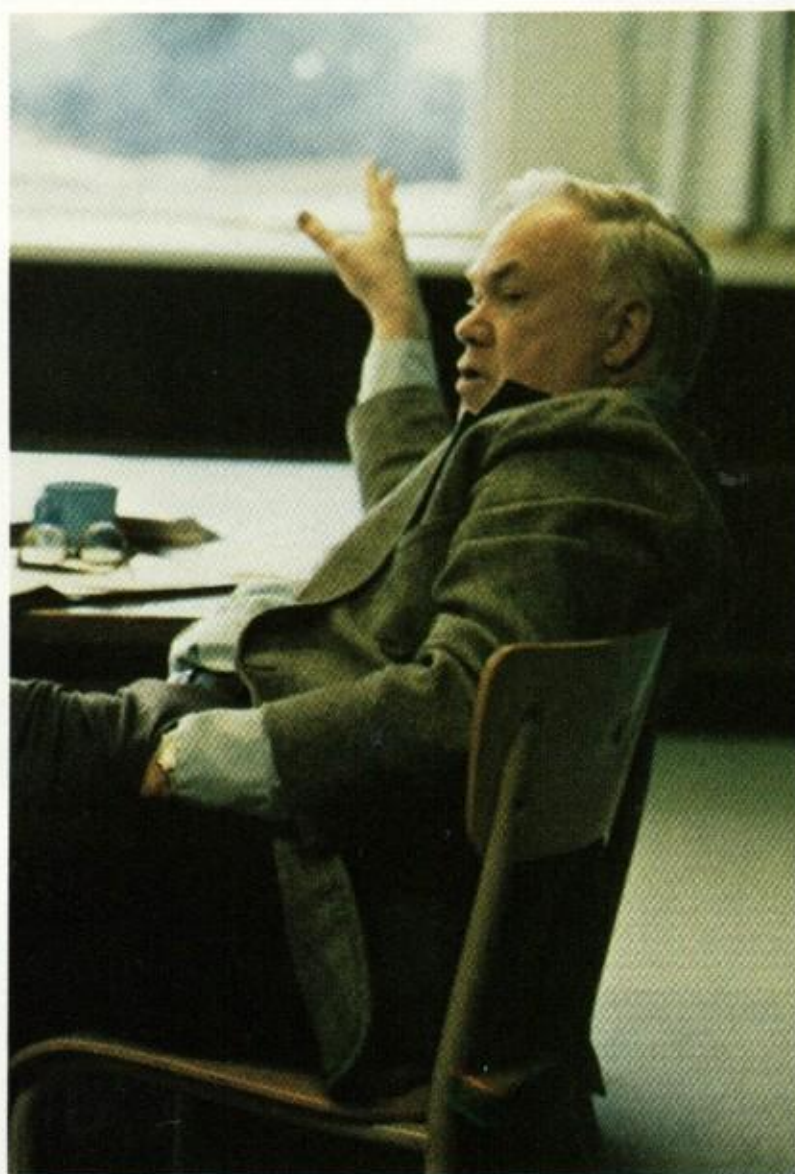

*Learn as though you would
never be able to master it;
hold it as though you
would be in fear of losing it.*
—Confucius

*Lookin' farther than
you'll ever hope to see
Takes you places you
don't know...
-Dan Fogelberg*

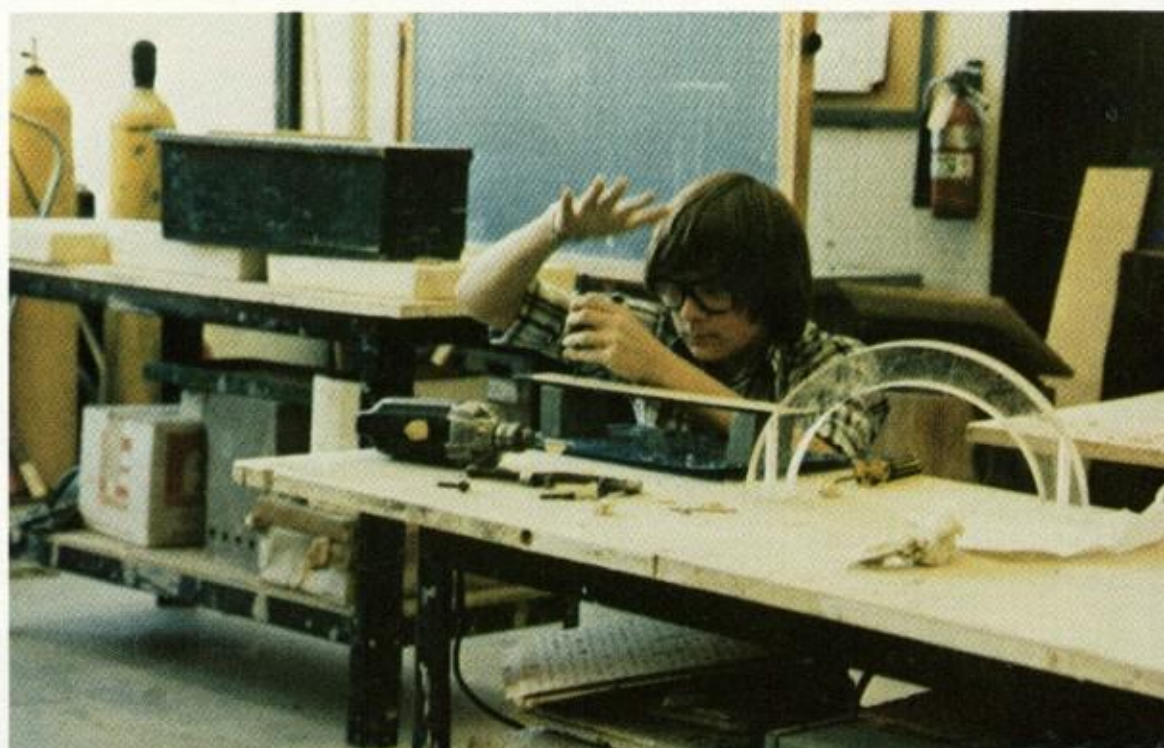

*Every portrait that is painted
with feeling is a portrait of
the artist, not the sitter.
-Oscar Wilde*

*Hayes - didja do
the reading? Naw,
Naw...
-Kenyon C. Cramer*

*Whose yesterdays look backwards
with a smile.
-Edward Young*

"Do I dare
Disturb the universe?"

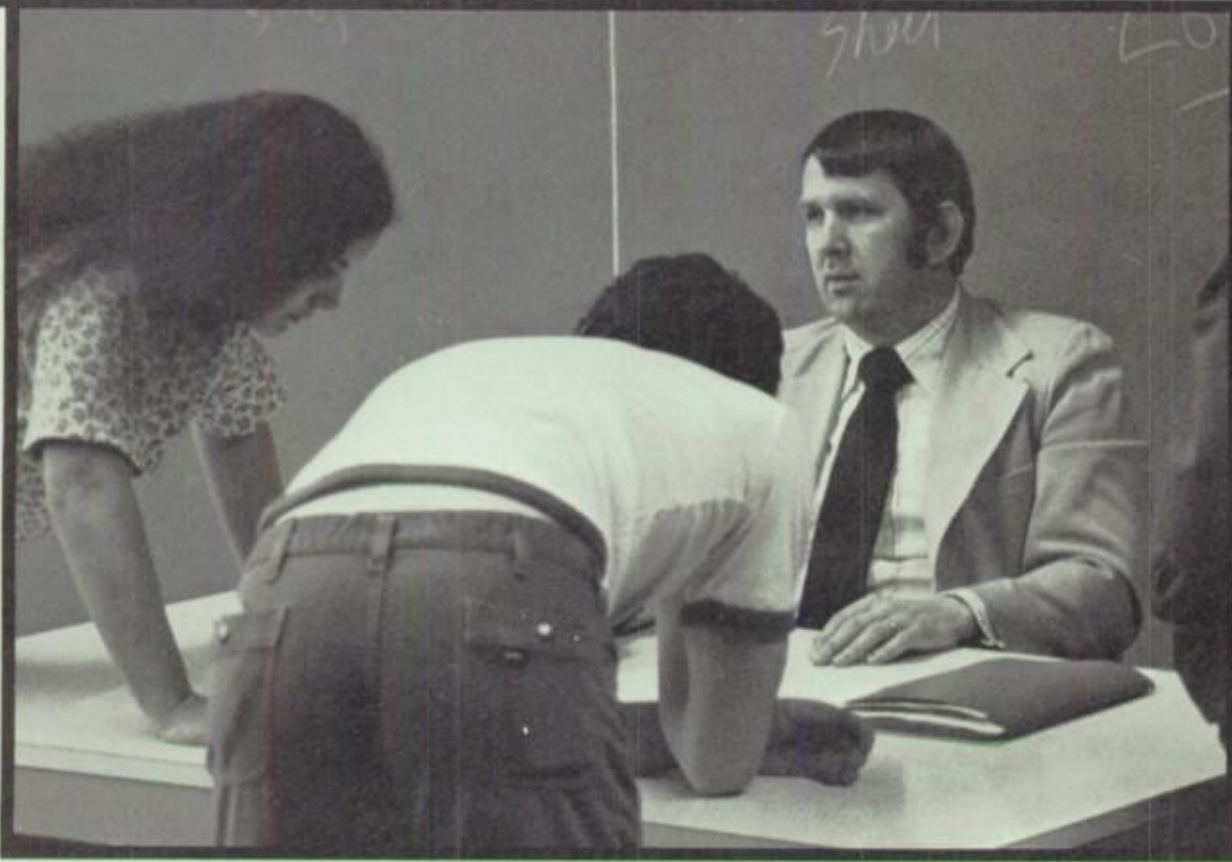

-T.S. Eliot

The Senior Class dedicates the 1979 ONYX to Richard Jusseaume,
an extraordinary man.

"All men by nature desire to know."

-Aristotle

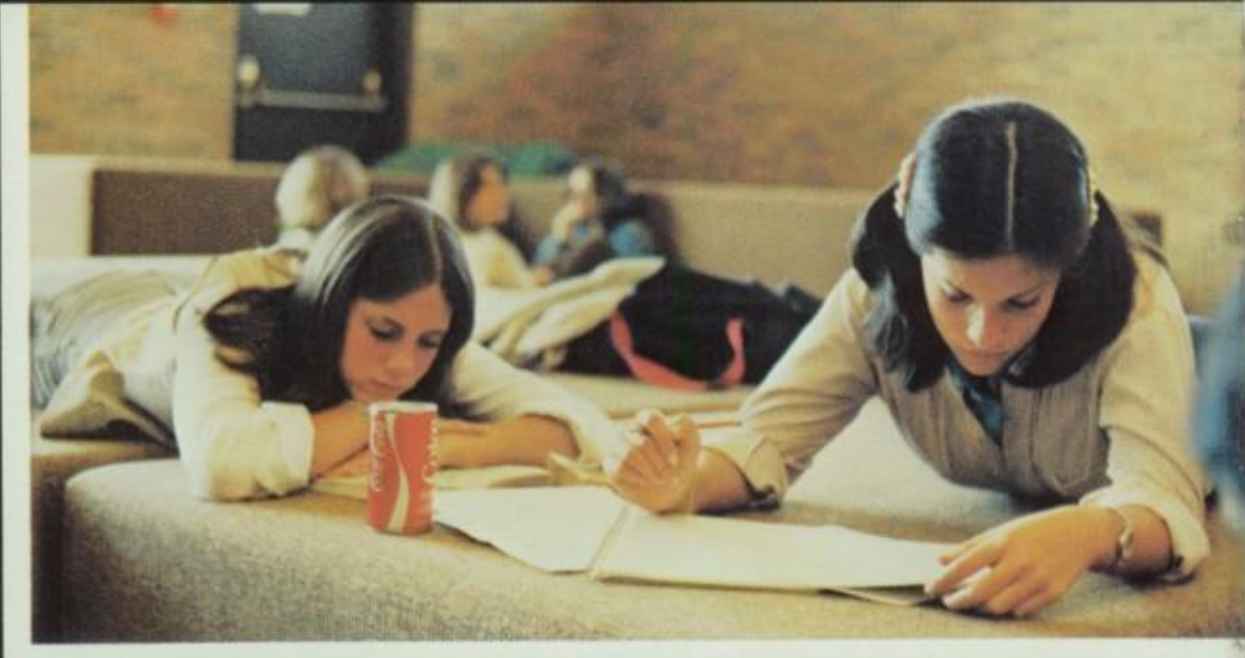

"Everyone sees what you appear to be,
few experience what you really are."
-Machiavelli

" . . . it is better to be happy
for a moment
and be burned up with beauty
than to live a long time
and be bored all the while . . . "
-Don Marquis

*Our chief want in
life is somebody who
shall make us do
what we can.*

- Emerson

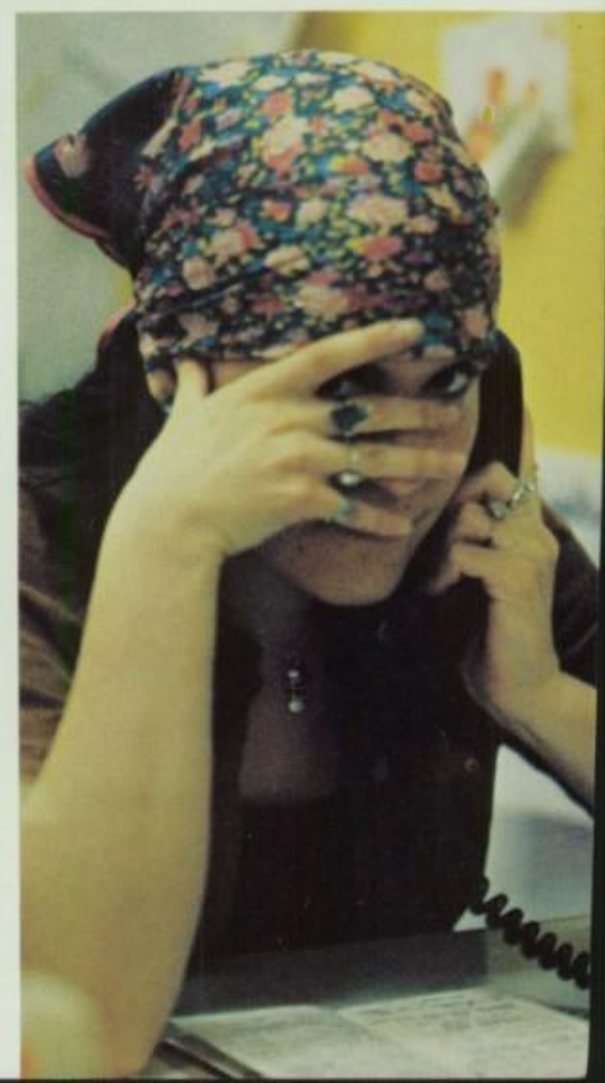

*Make your friends your
teachers and mingle the
pleasures of conversation
with the advantages of
instruction.*

- Baltasar Gracián

*Who hears music, feels
his solitude
Peopled at once.*

- Robert Browning

*There is no such thing
as "best" in a world
of individuals.
-Prather*

*The most wasted day
is that in which we
have not laughed.
-Chamfort*

THE SMILE

When I'm very lonely,
I close my eyes
envisioning your smile,
like imagining the sun
in the early morning darkness.
The gold-orange warmth
that always surrounds you
pervades, fills, eases.
The light of your smile
illuminates the darkest corners.

In the time of your life, live - so that in that good time there shall be no ugliness or death for yourself or for any life your life touches. In the time of your life, live - so that in that wondrous time you shall not add to the misery and sorrow of the world, but shall smile to the infinite delight and mystery of it.

To be or not to be
Is no longer the question . . .
We can make a difference

THE FUSE

It's coming from so far away
It's hard to say for sure
Whether what I hear is music or the wind
Through an open door
There's a fire high in the empty sky
Where the sound meets the shore
There's a long distance loneliness
Rolling out over the desert floor
And the years that I spent lost in the mystery
Fall away leaving only the sound of the drum
Like a part of me

It speaks to the heart of me
Forget what life used to be
You are what you choose to be
It's whatever it is you see
That life will become
Whatever it is you might think you have
You have nothing to lose
Through every dead and living thing
Time runs like a fuse
And the fuse is burning
And the earth is turning

Through the years give way to uncertainty
And the fear of living for nothing strangles the will
There's a part of me

That speaks to the heart of me
Though sometimes it's hard to see
It's never far from me
Alive in eternity
That nothing can kill

Oh Lord
Are there really people starving still?
Look out beyond the walls of babylon
How long will their needs go unfilled

I want to say right now I'm going to be around
I'm going to be around
When the walls and towers are crumbling
When the towers are tumbling down
And I will tune my spirit to the gentle sound
I want to hear the sound
Of the waters lapping on the higher ground
Of the children laughing

WHAT IT'S ALL ABOUT
 The seasons pass along with the year,
 Filled with hope and a little fear.
 But, don't let the fear stand in your way,
 Fulfill each minute, fulfill each day.
 Be good to yourself, but don't forget to share.
 What you do is important, you've got to care.
 Think you're something special, don't say no:
 Achieve what you can, you're the star of the show.
 Don't be a quitter, work harder when you're down.
 Try to be happy and get rid of your frown.
 Be proud of yourself and hold your head high,
 Let your confidence show everyone why.
 Don't be selfish, it's easier to take than give.
 He who closes his heart doesn't really live.
 Get to know others and let them know you.
 If you like what you see, they will too.
 Remember how to say, Thank You. Don't forget
 others,
 There are people behind you; parents, sisters and
 brothers.
 Seek good friends, friends you can trust.
 Spread your love and warmth, for true success it's
 a must.
 As you look at this page and reflect on the past,
 It was a time to learn lessons that would last.

Whether I am on the winning or losing side is not the point with me: it is being on the side where my sympathies lie that matters, and I am ready to see it through to the end. Success in life means doing that thing than which nothing else conceivable seems more probable or satisfying or remunerative, and in an enviable state I can truly say that I enjoy, for had I the choice I would be somewhere else in the world than where I am.

GREG HERMAN

"CLOWN FOR A DAY"

"All are architects of fate,
Working in these walls of Time;
Some with massive deeds and great,
Some with ornaments of rhyme.

Nothing useless is, or low;
Each thing in its place is best;
And what seems but idle show
Strengthens and supports the rest.

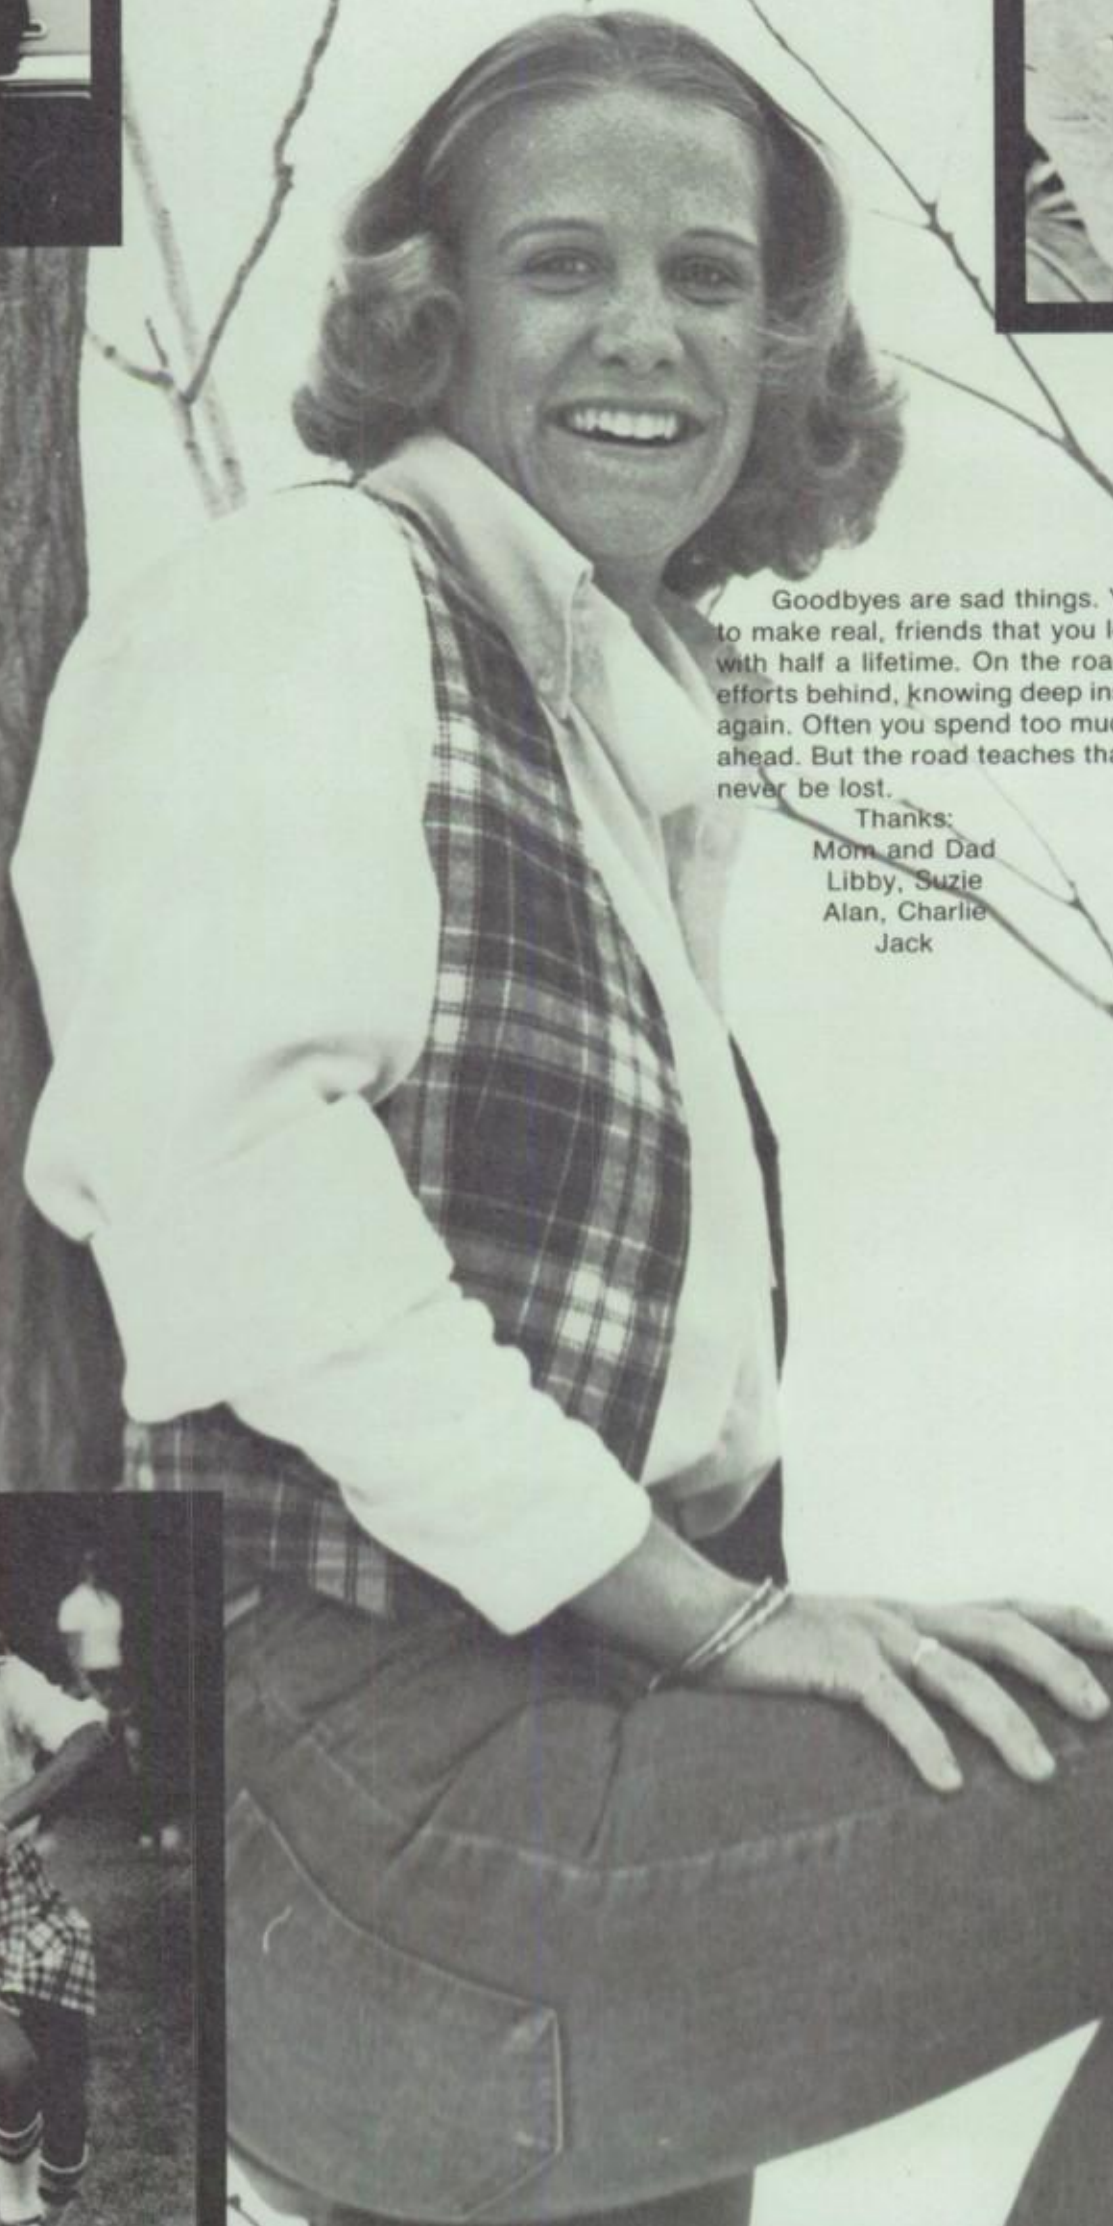

For the structure that we raise,
Time is with materials filled;
Our todays and yesterdays
Are the blocks with which we build.

Truly shape and fashion these;
Leave no yawning gaps between;
Think not, because no man sees,
Such things will remain unseen.

... Build today, then, strong and sure,
With a firm and ample base;
And ascending and secure
Shall tomorrow find its place.

Thus alone can we attain
To those turrets, where the eye
Sees the world as one vast plain,
And one boundless reach of sky.
- Longfellow

Eleanor Hyde Hitchcock

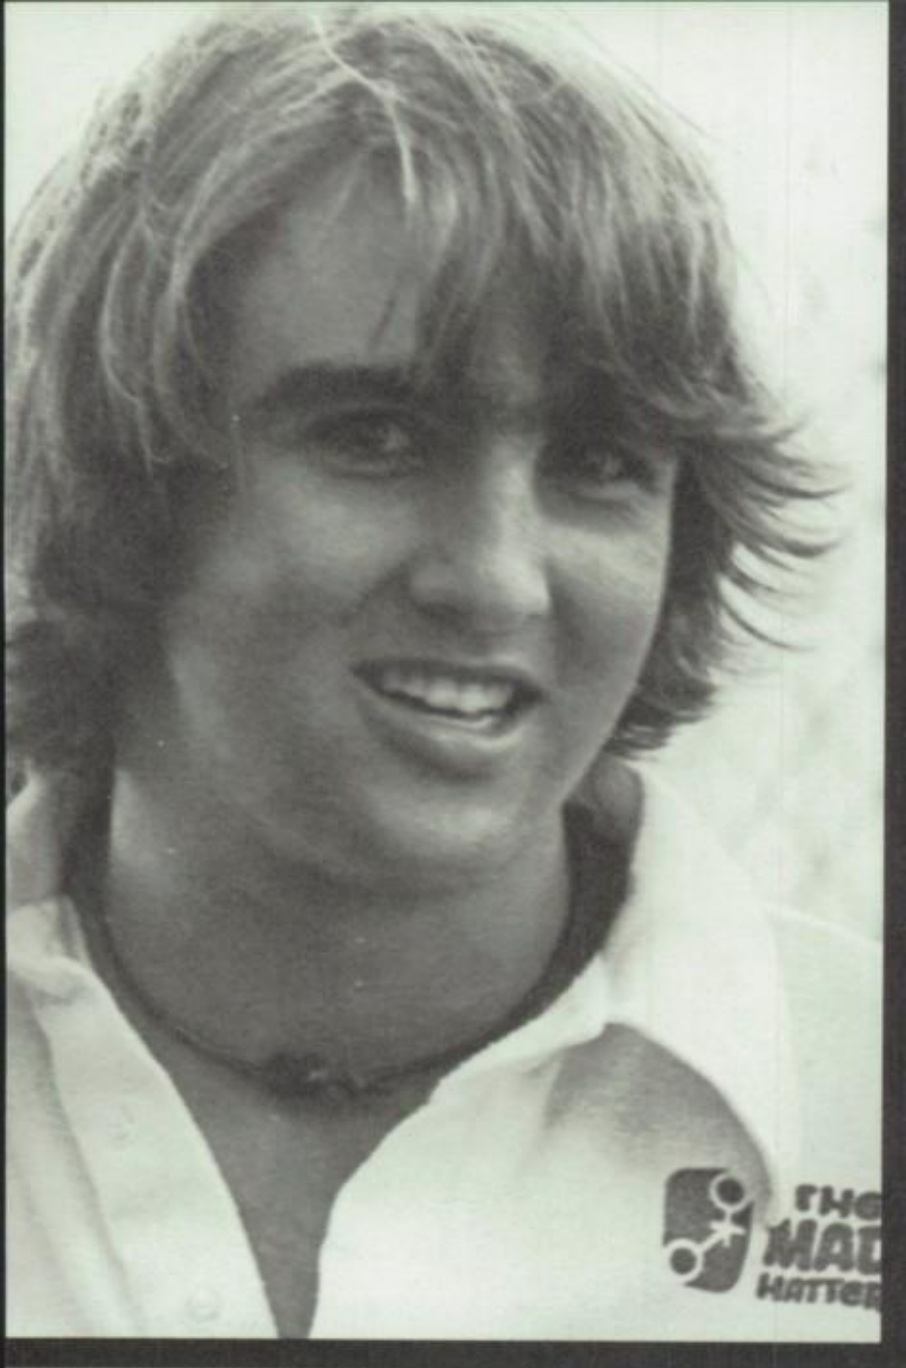

Goodbyes are sad things. You leave behind dreams that you've worked to make real, friends that you love, and sometimes a security that was built with half a lifetime. On the road and in life you move along and leave your efforts behind, knowing deep inside you will never find them exactly the same again. Often you spend too much time looking back, and miss something up ahead. But the road teaches that what you loved and learned in the past can never be lost.

You say you want to seek the truth, but it's hard to find
No one to help you, your friends don't have the time
So you ride around in your car, switch on the radio
You want to relate to something you once read in a book
What kind of a way to try to take a look...

-Cat Stevens

I Remember
-Narada M. Walden

Friends -

Years of growing and exploring.

Experience -

In so many ways we saw the world
And the wonders it offers, together.
Laughing, crying, always searching...
We have come so far since then,
And we have so far to go.
But, thanks to one another's support
We now have the strength to search on,
Alone...

I will not thank you,
because the time we have spent together
is thanks enough.

All the times I failed to understand myself,
You came and put my troubles into perspective.
I grew with your pain, and you mine.

And now, when I meet a new friend,
He will be your friend too,
because so much of me
is what you have so unselfishly given.

As I travel into new adventures,
A part of you will remain a part of me.
Those I meet, will meet you too,
and the cycle will continue.

**LIVE, LOVE
and
LAUGH**

You who are on the road
 must have a code that you can live by
 And so become yourself
 Because the past is just a good-bye.
 Teach your children well
 Their father's hell
 Will slowly go by
 And feed them on your dreams
 The one they picks
 The one you'll know by.
 Don't you ever ask them why
 If they told you, you would cry
 So just look at them and sigh
 And know they love you.
 And you, of tender years
 Can't know the fears
 That your elders grew by
 And so please help them with your youth
 They seek the truth
 Before they can die.
 (Can you hear and do you care
 And can't you see we must be free
 To teach our children what you believe in
 make a world that we can believe in.)
 Teach your parents well
 Their children's hell
 Will slowly go by
 And feed them on your dreams
 The one they picks
 The one you'll know by.
 Don't you ever ask them why
 If they told you, you would cry
 So just look at them and sigh
 And know they love you.

In my years at this school, I have deepened my respect for Hawken and what it stands for. Now that it is time to leave, I have begun to realize some things this experience has meant to me. I have learned things that books alone can not teach: the meaning of responsibility and commitment, the value of friendship, the experience of success and failure. Thank you Hawken for the opportunities — for an education — I'll remember.

Each phase of nature, while not visible,
is yet not too distinct and obtrusive. It
is there to be found when we look for it, but
not demanding our attention. It is like a
silent but sympathizing companion in whose
company we retain most of the advantages of
solitude, with whom we can walk and talk, or
be silent, naturally, without the necessity of
talking in a strain foreign to the place.

ALONE

From Childhood's hour I have not been
As others were — I have not seen
As others saw — I could not bring
My passions from a common spring —
From the same source I have not taken
My sorrow — I could not awaken
My heart to joy at the same tone —
And all I loved — I loved alone.
THEN — in my childhood — in the dawn
Of a most stormy life — was drawn
From ev'ry depth of good and ill
The mystery which binds me still —
From the torrent, or the fountain —
From the red cliff of the mountain —
From the sun which round me rolled
In its autumn tint of gold —
From the lighting in the sky
As it passed me flying by —
From the thunder, and the storm —
And the cloud that took the form
(When the rest of heaven was blue)
Of a demon in my view.

TODD SCHWARTZ

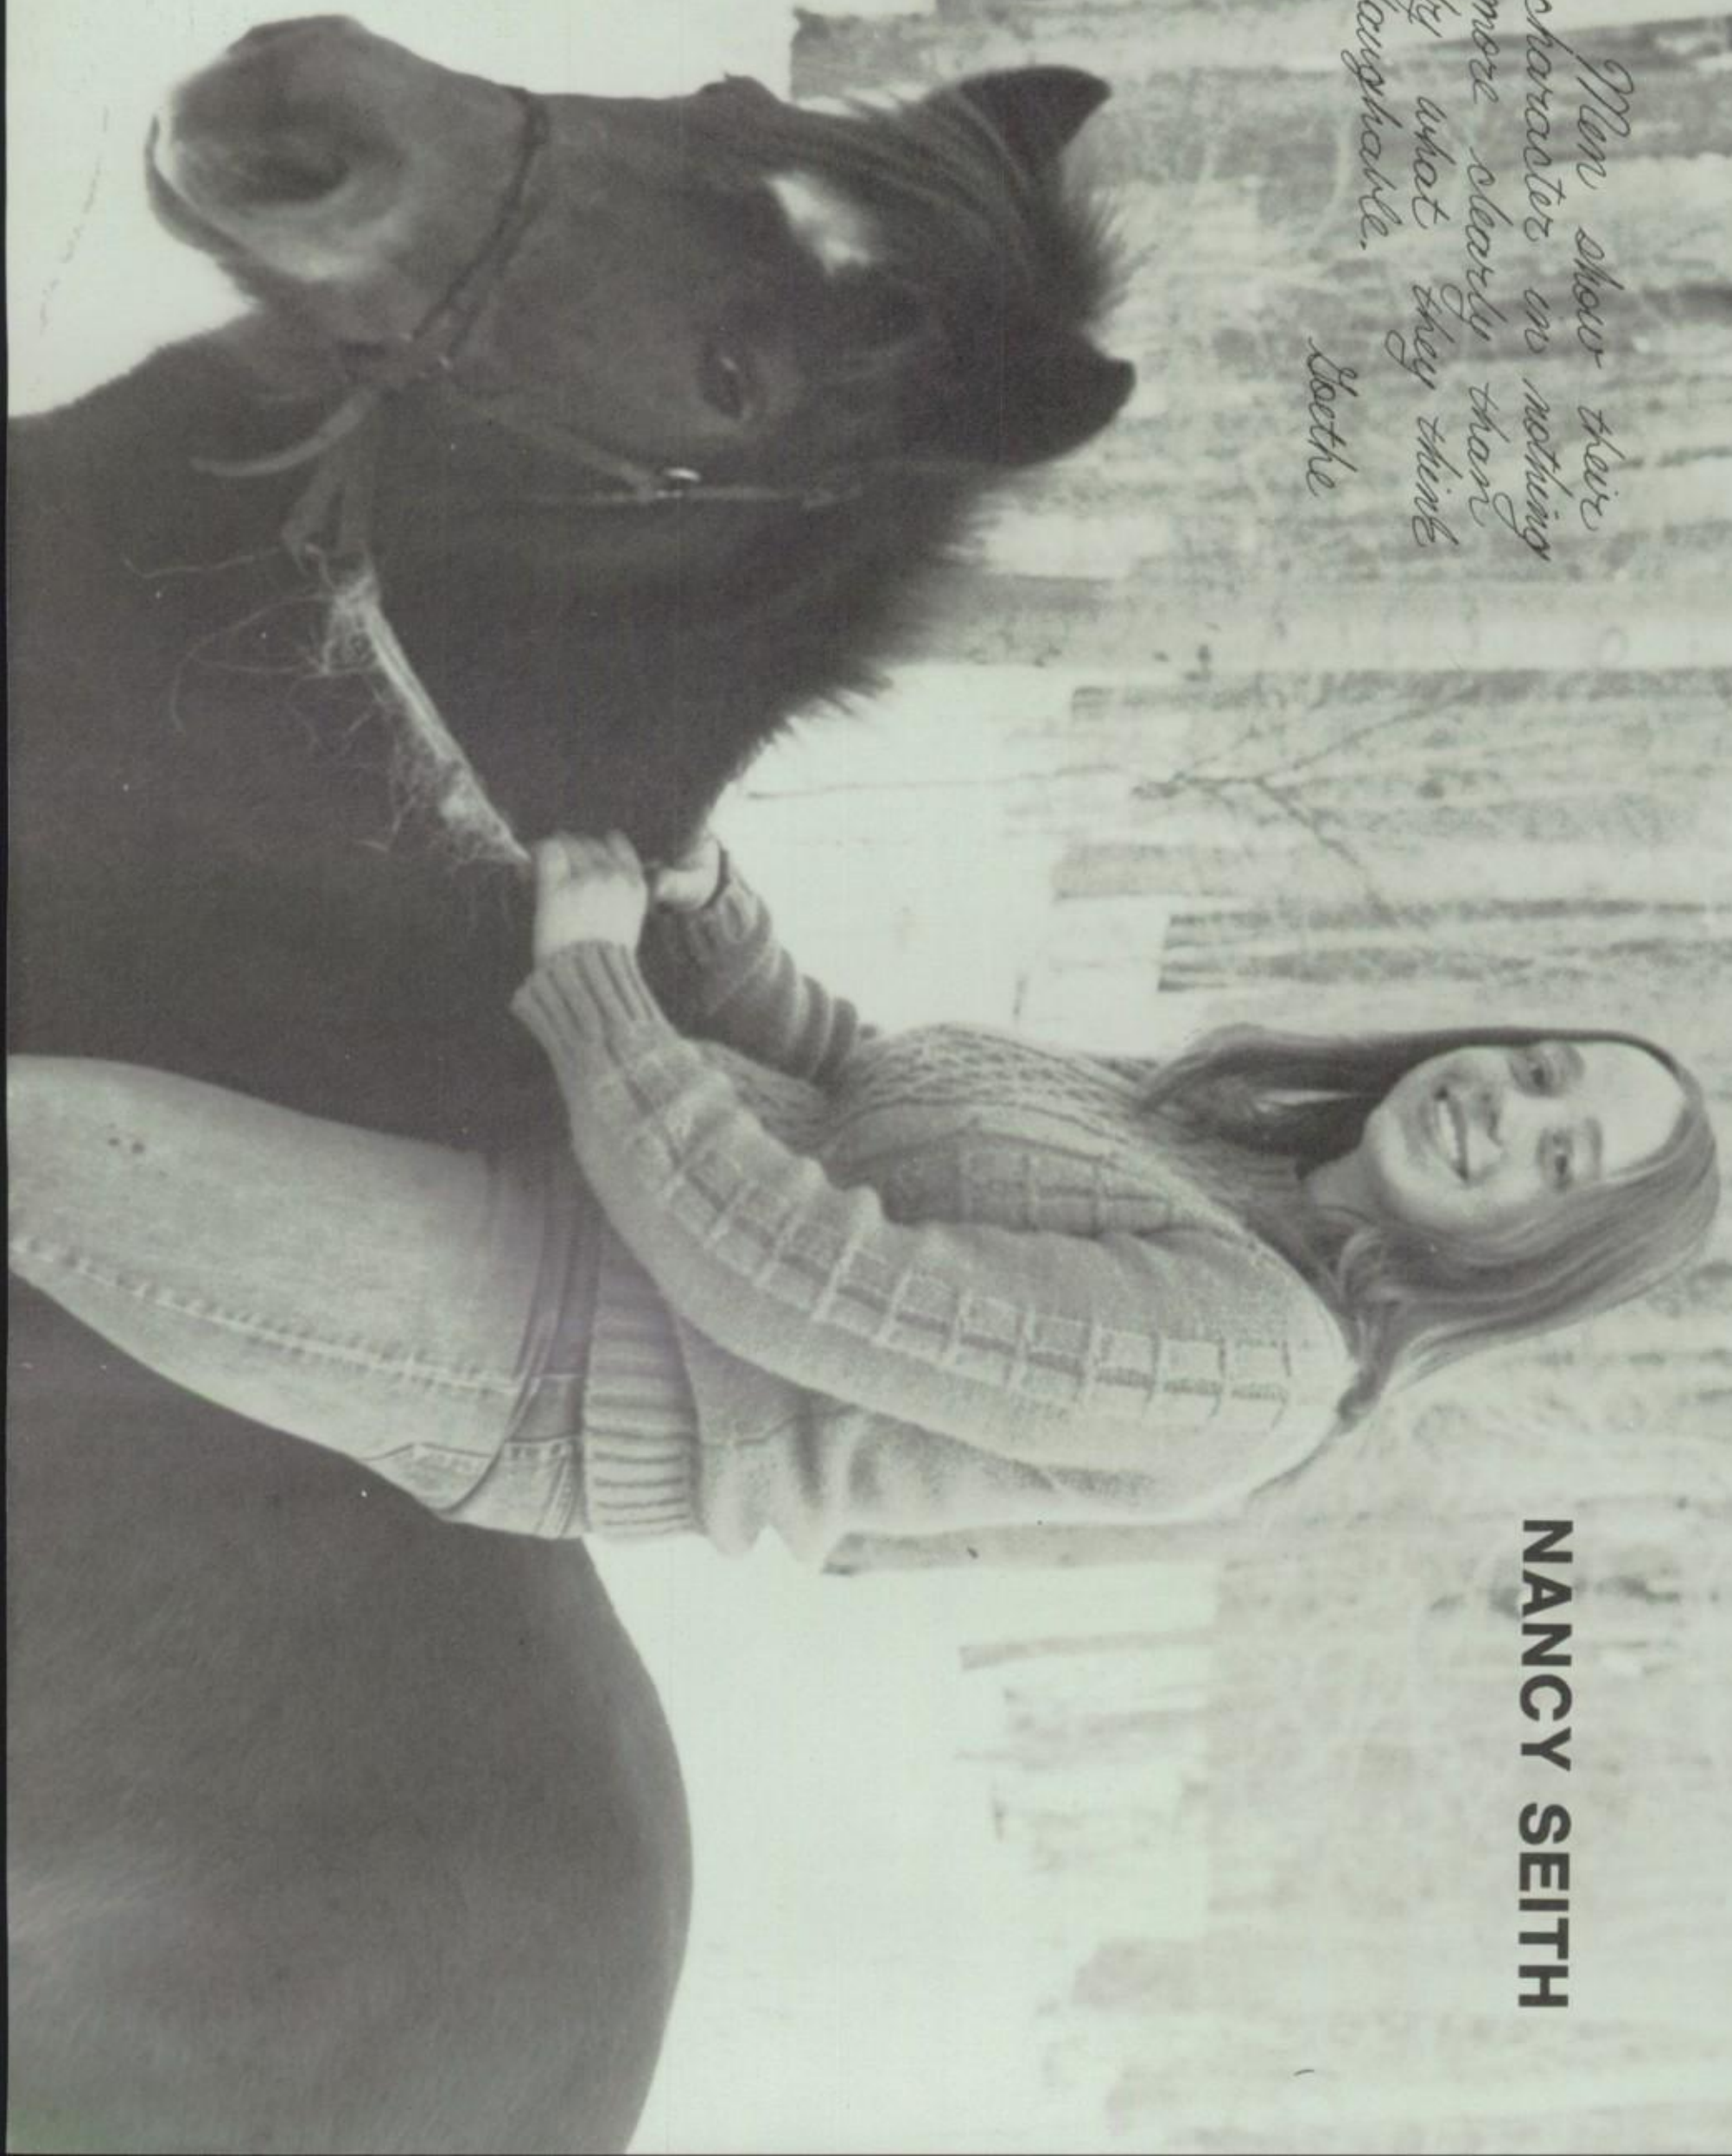

Artistic, athletic, adolescent Thomas set out to find some universal truths. So he made love when he could, laughed when he could, and cried when men can cry. But the girls just made it more difficult and the chuckles lost their sincerity and it never seemed appropriate to cry. So Thomas spoke to his friends and asked them to answer his appeals for truth. And they played instruments in his ears and offered their misgivings for his scrutinizations and sang in his head and stroked the places to make him laugh. So that when the arrow of despair ran swiftly through him, he felt no pain.

Some people say life's
like a merry-go-round,
I think its more like a

Sometimes you're down,
Sometimes you just don't
know what to feel.
-The Wheel

The time has come to take
the bull by the horns,
We've been so downhearted,
We've been so forlorn,
We get weak and we want to
give in,
But we still need each
other,
If we want to win...
Bright as the day,
To show us the way,
Somehow, someday we need
just one victory,
And we're on our way.
Prayin' for it all day,
And fightin' for it all
night,
Give us just one victory,
It will be all right.

Sometimes I just feel so
afraid,
But I know that no one else
has it made,
So if I just believe in
myself,
I won't need no help from
nobody else,
And I can make it alone,
And everything will be cool,
I got to keep on keepin' on,
There's nothing else I can
do.

-Sometimes I Don't
Know What to Feel

And there's still a few
things I ain't sorted out,
Sometimes they make my brain
get sore,
Like if kids were left to
there own devices,
Would they ever come up with
a thing like war.
-The Wheel

-All lyrics written by
Todd Rundgren

I feel that the purpose of the senior page is to help one remember his or her high school life many years after graduation. I suppose that the most adequate way to accomplish this would be to remember what some of your good friends were like way back then. That being the case . . .

Of Greg I preserve the memories of Nancy the Nurse, of Herman the Clown, of toy pigs on his 18th birthday, and of scintillating Calliope announcements.

Of Kent . . . the memories of a very happy youngster, of January 1, 1979 (mama's boy), of the oblivious reality of fantasy, of many tedious hours spent sorting Aff No's, of Velamints, and of many evenings I can't recall.

Of Kriss . . . the memories of girls (one for every day of the week), of the Roller Palace, of embarrassment, of Bruce, of practical jokes — so you got even, are you happy? — and, again, of girls.

Of Jonny . . . the memories of deep conversations, of a beard before I reached puberty, of a crowded locker, of Super Bowl XIII — despite what you may believe, Dallas lost — and of uneaten food.

Of Mark . . . the memories of long hours on the telephone, of ceaseless criticizing and petty name calling, of bad jokes, of New Year's Eve 1978, and of outdoor relief — what an "empty" life.

Of Scott . . . the memories of baked tongue, of many group therapy sessions in "The Office," of very long weekends, of "she's decent," and of damn good poetry. — EHHHHXCELLENT!

Of Steve . . . the memories of very inexpensive breakfasts, of Experience and Doors parties, of good "street" basketball, and of sick humour.

Of myself . . . the memories of all the above, of little women, of wet paint — "what did you do, bump into my wall?!" — of Fred MacMurray, and, most importantly, of laughing.

FOOTBALL

The '78 Fighting Hawks ended their season with a 6-1-2 record. The team, led by eleven seniors, was coached by the finest staff ever at Hawken. These six coaches implemented for the first time at Hawken the platoon system using separate players for offense and defense.

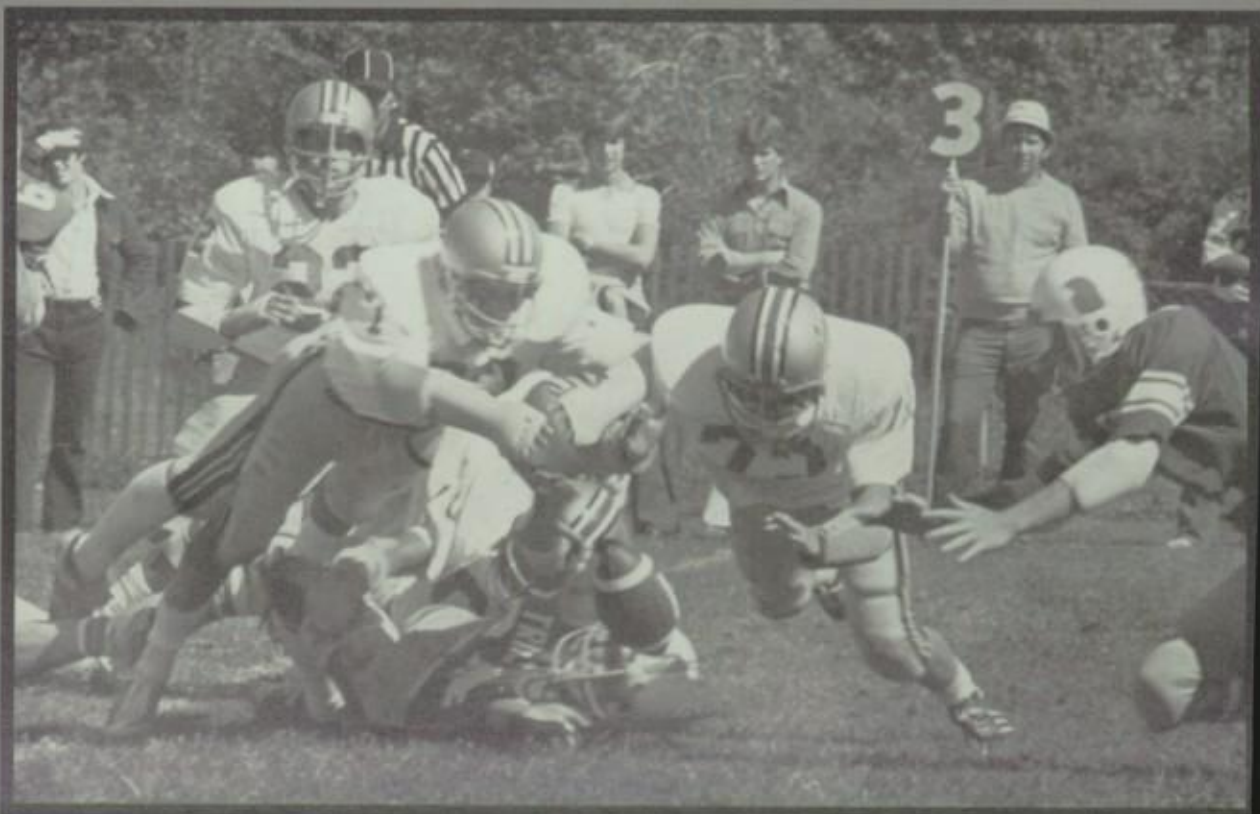

The offensive team was led by Tri-Captain quarterback Dale Schwartz, who threw for over 2,000 yards in two years. Tri-Captain Jim Bresnicky led the offensive line, his experience helping underclassmen Adam Cohen, Mark Deutsch, Mike Greenberg, and Neil Howell. Captain Bob Hoge, at one point a leading scorer in the city, led the running backs. Returning wide receiver Mike Hayes was the prime passing target, gaining over 500 yards. Along with Dale Schwartz, he was chosen for the All-State team. Jim Deighan balanced the attack at the other end, catching 14 passes. Fullbacks Bob Fisher and Steve Arnoff added strength to the running game, as did Mark Hoffman and Matt Harthun.

Defensively, Steve Alemagno was the standout, leading the team in tackles. Doug Spaeth, Jeff Hoadley, and Greg Southworth were defensive ends; Dave McCreery and Mike Greenberg tackles. The linebackers were Dan Goldberg, Tony Curry, with Jim Bresnicky and Bob Fisher often assisting. Jon Landsman, Gerald Johnson, and Jeff Schwartz contributed to the safety position. Landsman was also a running back. Cornerbacks included Jay Becker, Don Rositano, Jeff Turi, and Matt Harthun.

Because the platoon system had never been used before, the season was a risk. The team responded, however, meeting the challenge with a successful year and opening the avenue towards future platooning. The returning underclassmen will have to meet the same challenge without the talent of the seniors.

VOLLEYBALL

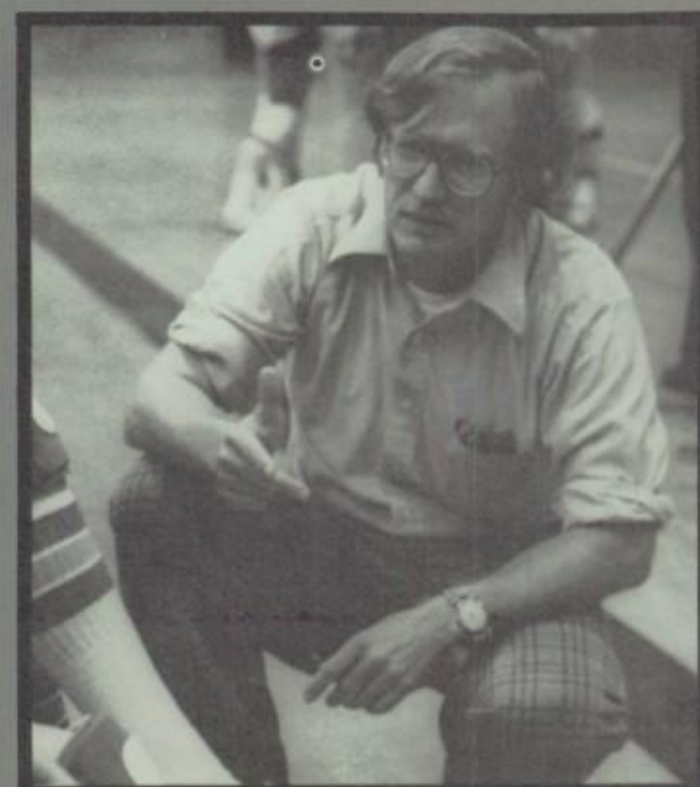

The 1978 Varsity Volleyball Team ended the season with a 7-7 record, obtaining a third place in the Grand Valley Tournament. The team members contributed their fine season to their coach, Keith Warner. He led his team of many inexperienced players to a solid .500 record. This was due to his great effort, patience, and knowledge of the game.

The spikers were led by captain, Old Board winner, Mary Toomey. Her four years' worth of varsity experience was the stabilizing factor of the team. Toomey's talents were noticed at the Grand Valley Tournament where she was awarded M.V.P.. Suzanne Brittenum was the other Senior starter and because of her height, she was a great asset as a spiker and a blocker. Senior Carrie Davis was a hard-working setter who contributed greatly to the team. Junior Diana Horvat had strong offensive skills which included being a good spiker and having an excellent downward serve. Junior Kim Humphrey was a setter for the team and although her size was not her strength, it did not hinder her from working hard and gaining the Most Improved Player Award. Junior Debbie Katz proved to be a very controlled and dependable defensive player because of her excellent bump shot. These three juniors will be the nucleus of the Varsity team in the coming year.

As a Freshman starter, Ann Bresnicky assumed the responsibility of a much needed setter. As she becomes more experienced and develops her talents fully, she will be a great contributor to the future success of the Volleyball Team. Sophomore Bev Lyles and Freshmen Claudia Richardson and Lisa Deighan all helped out on the Varsity level. Although they lacked experience this year, they will inevitably be the leaders of the team in years to come.

Under Coach Dave Rosenzweig, the Junior Varsity had a much improved season this year, and will add a lot to the Varsity in the future.

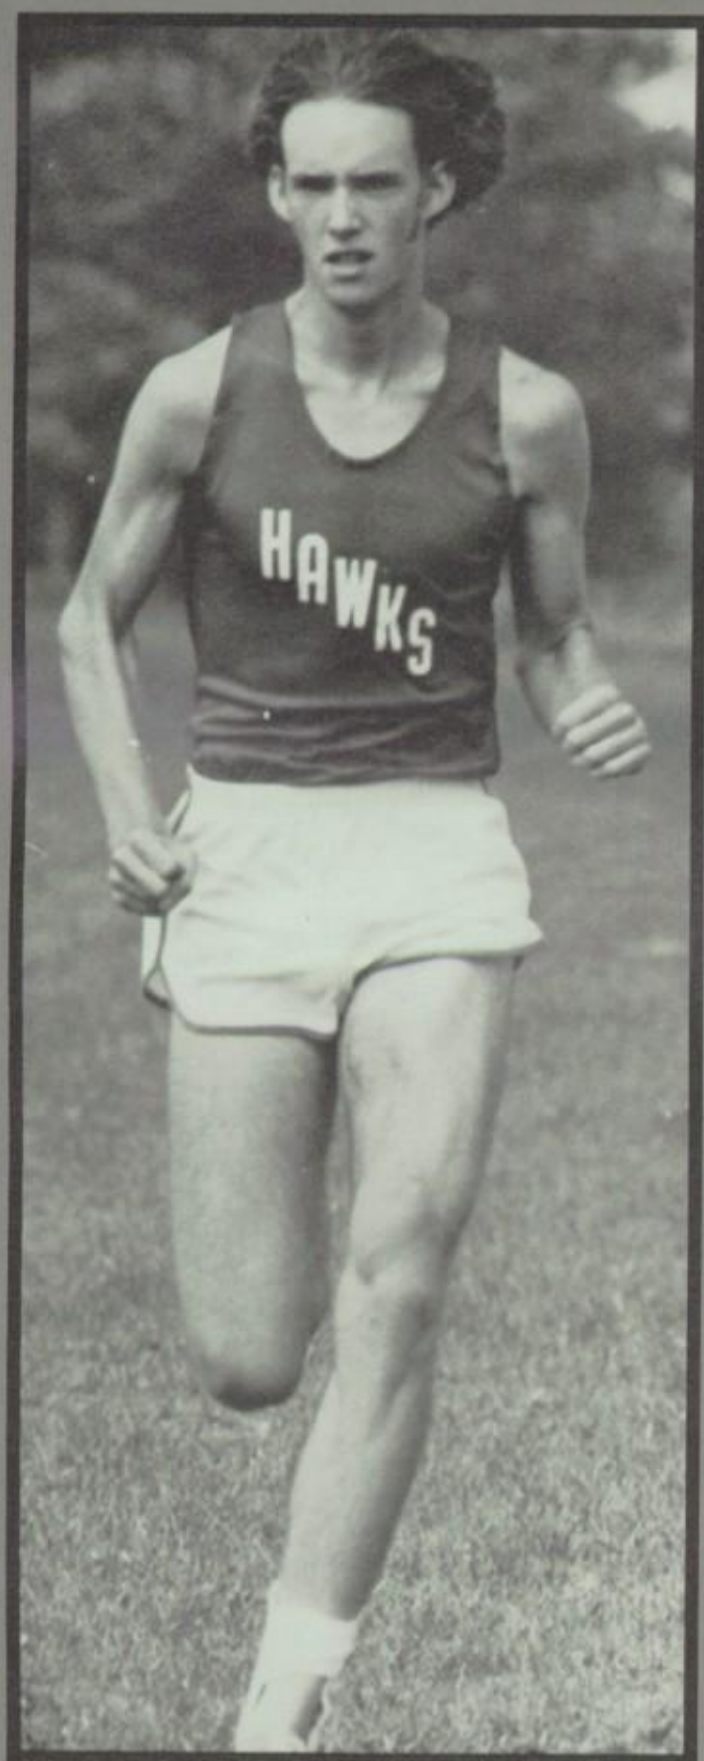

CROSS COUNTRY

BOTTOM ROW: S. Phillips, J. Brice, S. Hawley, G. Goodman, A. Najarian TOP ROW: Coach Hawkes, T. Kneale, G. Doull, D. Sullivan, S. Phillips, Coach Hoffman

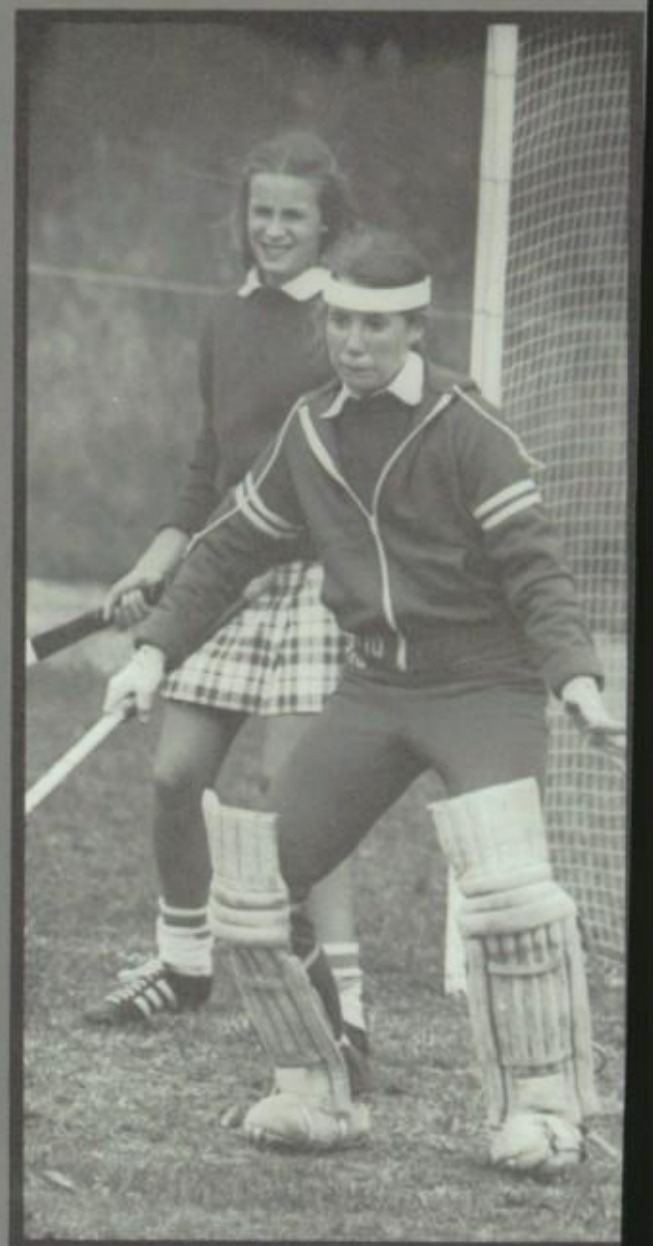

The 1978 Cross Country Team found its main strength in the 1,2,3 knockout punch of Greg Doull, Arman Najarian, and Jay Brice. These three took the first three places in five of the Hawks eight dual meets, and led the team to a seven and one dual meet record. The early hopes of Coach Hoffman never developed as the fourth through seventh runners never caught the front three, and the team failed to qualify for the state meet. However, excluding the disappointment of not qualifying at the district meet, the season was in all respects a winning one. Freshman Jeff Hoffman and Junior Richard Schiuster, the newcomers to the team, provided depth and began the building for much improved seasons ahead. Sophomore David Sullivan reaped the benefits of last year's work as his time dropped over two minutes. Senior Dave Long, despite a late start, helped the team through the dual meets and invitationals. Junior Stu Phillips gained a great deal of experience and put in the ground work for a better season next year. Sophomore Todd Kneale ran consistently as fourth man and found that hard work eventually pays off as he finished 26th in the district meet and dropped his time 45 seconds. Sophomore Arman Najarian and Junior Jay Brice provided the 2,3 of the Hawks' knockout punch. Both had tremendous seasons as they finished ninth and eleventh in the district meet.

Senior captain Greg Doull set high standards for his teammates as he placed first in six of the eight dual meets, and placed third in the district. Doull's third qualified him for the individual race in the state meet, where he placed seventh and broke the thirteen minute barrier. Greg's time was 12:58 at the state meet which broke the old Hawken cross country record by nearly thirty seconds.

The Hawks will be back in '79.

FIELD HOCKEY

The Varsity Field Hockey Team had its best season ever in the sport's five year history, boasting a record of 9-5-3. Under a new coach, Ron Robinson, the team showed aggressiveness and talent. These qualities made them hard competition for the many area schools they played.

The team, made up of thirteen returning seniors and five juniors, played a fast offensive game, which threw many of their opponents off-guard. The explosive starting forward line consisted of Aida Eisenstat, Elana Peltz, and Jenny Murray at the wing positions, inners Mindi Thal, and Lisa Pearl, and center forward Sarah Silver. Mindi was the team's highest scorer with seventeen goals, which is a school record. Sarah was close behind with fifteen goals, three of which came in a hat trick against Cleveland Heights. Lisa led the team in goal assists. Jenny, Aida, and Elana, all with strong drives, set up goal scoring plays that helped the Hawks win many games. Veterans Debbie Lader and Ellen Weiss, and Rookie Betsy Rippner were also strong forwards and each contributed greatly.

The solid defense consisted of Beth Gibans, Eleanor Hitchcock, Katie Kilbane, Sue Drake, Vicky Cole, and goalie Marian Morris. With communication and skill they worked as one unit and kept the opposing team out of Hawken's territory. Beth and Eleanor had their moments of glory when each of them scored a goal against rivals Cleveland Heights and Kirtland. Other strong half-backs and full-backs were Libby Hyde, Donna Alemagno, and Tammy Ring. Their strong defensive hits proved to the opponents that goals were going to be hard to come by.

Although the season was long and practices were hard, the work paid off. With the departure of fifteen seniors, the large core of the team will be missing next year, but with the returning juniors and the victorious J.V. Team, next year's Varsity will be well experienced and ready to achieve another winning season.

As Coach Steve Haas put it, "This team was Hawken's best." The Hawken Varsity Soccer Team culminated the season with a 12-2-3 record, the finest ledger in Hawken history.

This group, made up of many talented individuals, utilized that talent to blend as a team which will be remembered for its excellent teamwork. It was this kind of strong team-play which enabled the Hawks to defeat such powerful teams as W.R.A., Cleveland Heights, Chagrin Falls, and Mentor. A game which exemplified the attitude of the team was the second sectional game against Chardon. The Hawks were down in a roughly played game, 1-0. They did not give up in this do or die tournament game. With excellent hustle and teamwork, the Hawks finally managed to score on a shot by Bob Johnson. The game went into sudden-death overtime, and finally, in the most emotional game of the season, Eric Lasky headed the ball into the net for the winning goal.

Individually, the Hawks were led by Old Board Award winner, Todd Beatty, who was the Hawks leading scorer, with 25 goals. He was named to the first team-All-league as was co-captain Eric Lasky. Lasky, who had 18 goals and 13 assists, was also named to the All-State team and Co- Most Valuable Player of the Eastside of Cleveland. Bob Johnson, the other forward, scored 9 goals.

In the mid-field, co-captain Jeff Snively, an All-league honorable mention player, controlled the game from his center-halfback position. He was flanked by Tom Quigley, Jay Sargent, and Neil Lasky. These three outside halfbacks were mentioned by Haas as displaying total hustle and aggressiveness.

The fullback line was headed by Dick Day Award winner and second-team-All leaguer, Scott Fromson. Fromson, who saved many goals by his strong and sure defensive play, worked well with the other inside fullback, Peter Seidman, who through his aggressive play, was named All-League honorable mention. Outside fullbacks were manned by Bob Ellis and Tom Brinker, who became feared by the opposition for taking the most players out of the game by his rough tactics. The goal was managed by Jon Weiss, whose talent can be shown by his giving up just 1.4 goals per game, including 5 shutouts and 8 one goal games. Tom Campbell, Dan Leizman, and Glenn Girty played very important roles, especially with the high amount of injuries that plagued the team.

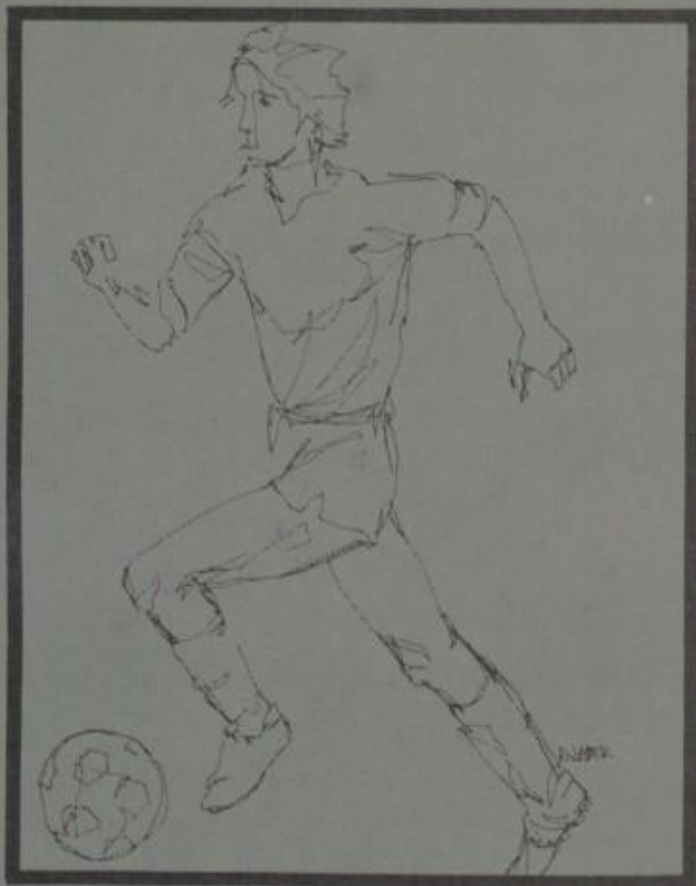

Although Hawken lost to Eastlake North 5-3 in the sectional semi-finals, Coach Haas and everyone else will remember this team for its togetherness, courage, and success.

The Hawken Girls' Tennis Team of 1978, a young and enthusiastic team, was more successful than it had ever hoped to be. Five of the seven starting players will return next year, with only the loss of a few seniors who are Kathy Gill, Marty Downey, Mary Selis, Shari Loveman, and Diane Bunin. Throughout the season, the girls acquired a 14-4 record by beating most teams either 5-0 or 4-1. In addition the Hawks were Ohio Teachers' Conference Association district finalists before being eliminated by the strong team of Bay Village High School. Leading the team at first singles was Kathy Gill who finished the season with a fine record of 16-1. By winning sectional and district tournaments rather easily, giving up only a few games overall, Kathy also entered the State Championships and finished 4th out of approximately two hundred girls. Playing 2nd singles, Marty Downey had a successful year with a 15-2 record and was runner-up in doubles along with her partner Rachel Mann. Mann, a sophomore, and junior Anne Schwartz each had a good season alternating at 3rd singles. Hawken's double teams had great depth and this strengthened the 1978 team. First doubles consisted of Rachel Mann and Roxanne Zulauf whose record totaled 13-4. With the help of Shari Loveman, a four year Varsity player, and two second doubles teams, Beth Hellerstein and Jane Selis or Mary Selis and Diane Bunin, the Lady Hawks were capable of having such a victorious season.

GOLF

The Hawken golfers romped to another State title under Coach David McCahon, this time by twelve strokes, scoring 671 for the 36 holes. Led by senior Brad Poe's 82-73-155, second in the State individually, the Hawks took a commanding lead of eleven strokes after the first day. However, Team Championships are won by teams and sophomore Gary Rusnak's fifth place 81-87-168, junior Rich Rostmeyer's 83-87-170, senior Chris Roblin's 85-90-175, and senior Jack Easterday's 97-98-185 rounded out this record-breaking State Championship Team.

Paced by Gary Rusnak's medalist score of 74 in the District, the Hawken linkers eased their way into the State competition with a 317 total over nearest rival Columbiana at 331. Poe, Rostmeyer, Easterday, and Roblin were close behind with scores of 75, 81, 87 and 91 respectively.

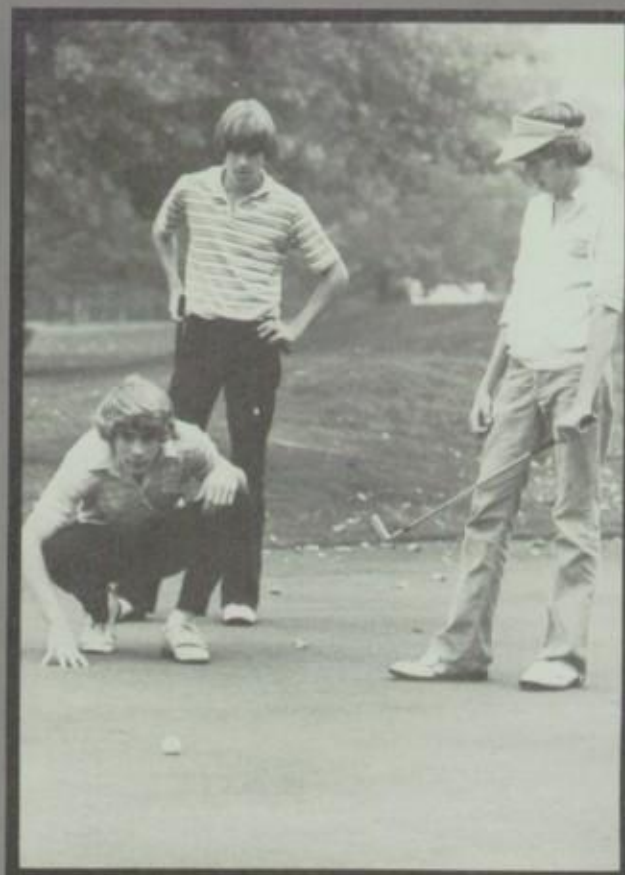

The team will be losing Easterday, Poe, Roblin, and Jim Daigle to graduation. However, with returning lettermen Rusnak, Rostmeyer, Brian Beck, Brad Dunning and possible help from newcomer Bernie Perla, the team will vie for a third straight title next year.

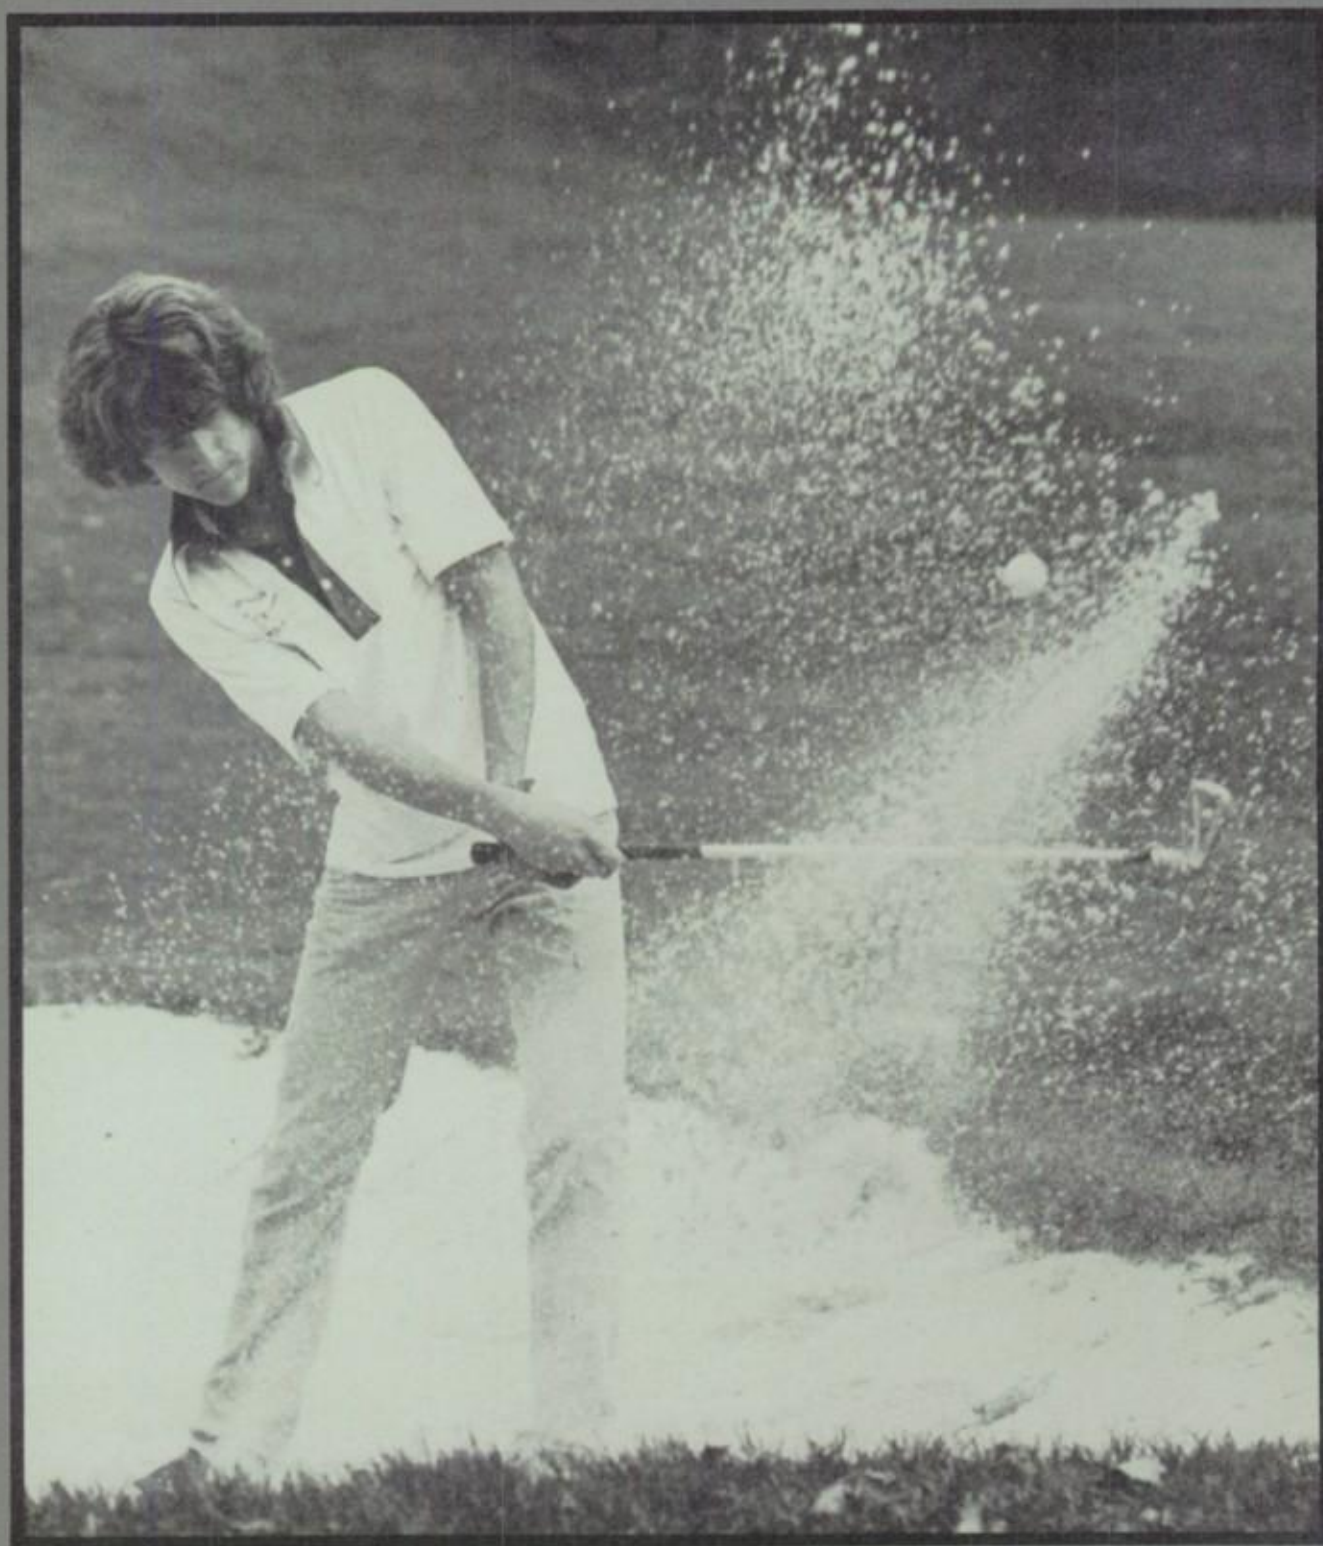

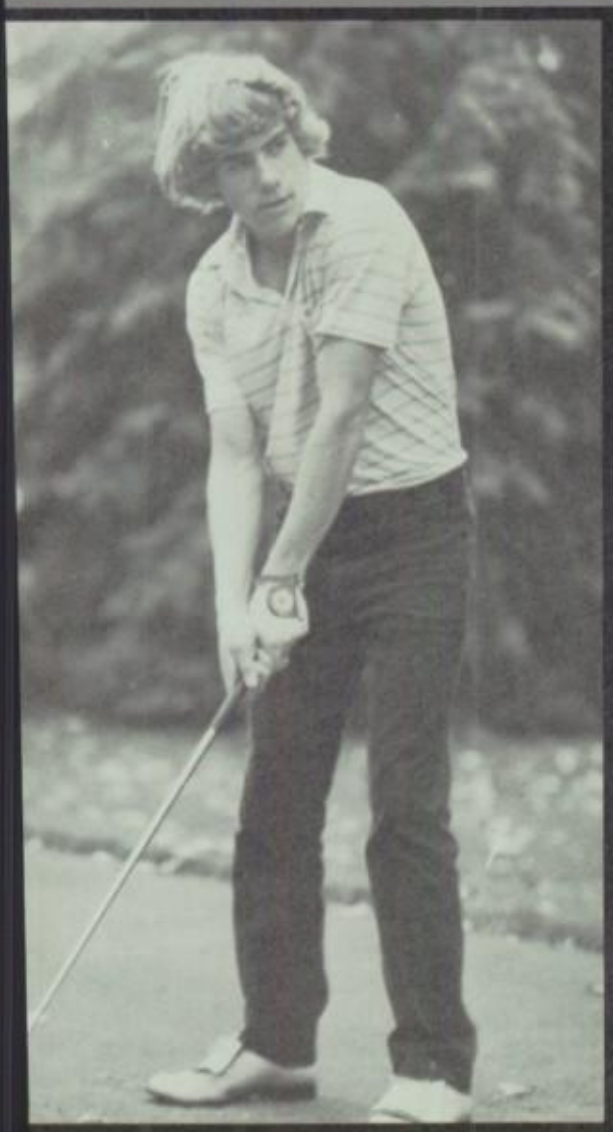

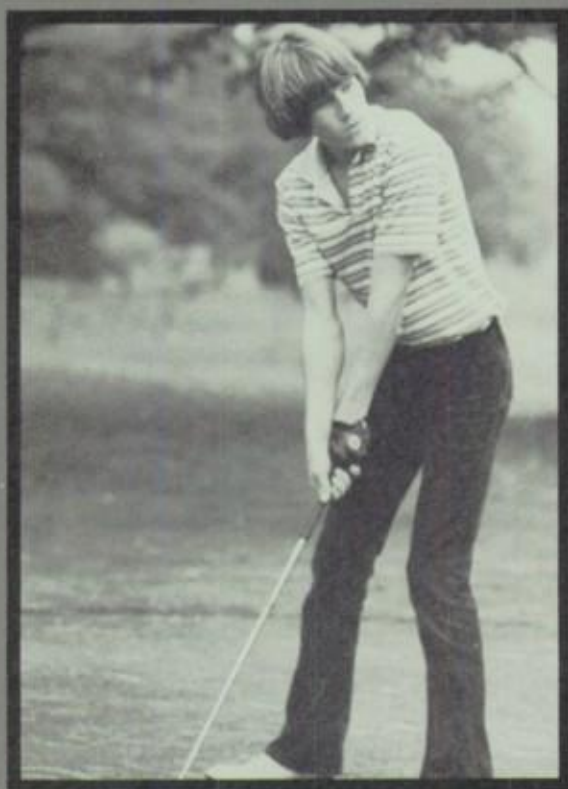

The Hawken five lost their concentration in a few matches, yet still posted a strong 13-4 record. The height of this dual meet season was a decisive win over Shaker. The Hawks, led by Poe's team record of 34, posted a 157, their best 9 hole showing of the year.

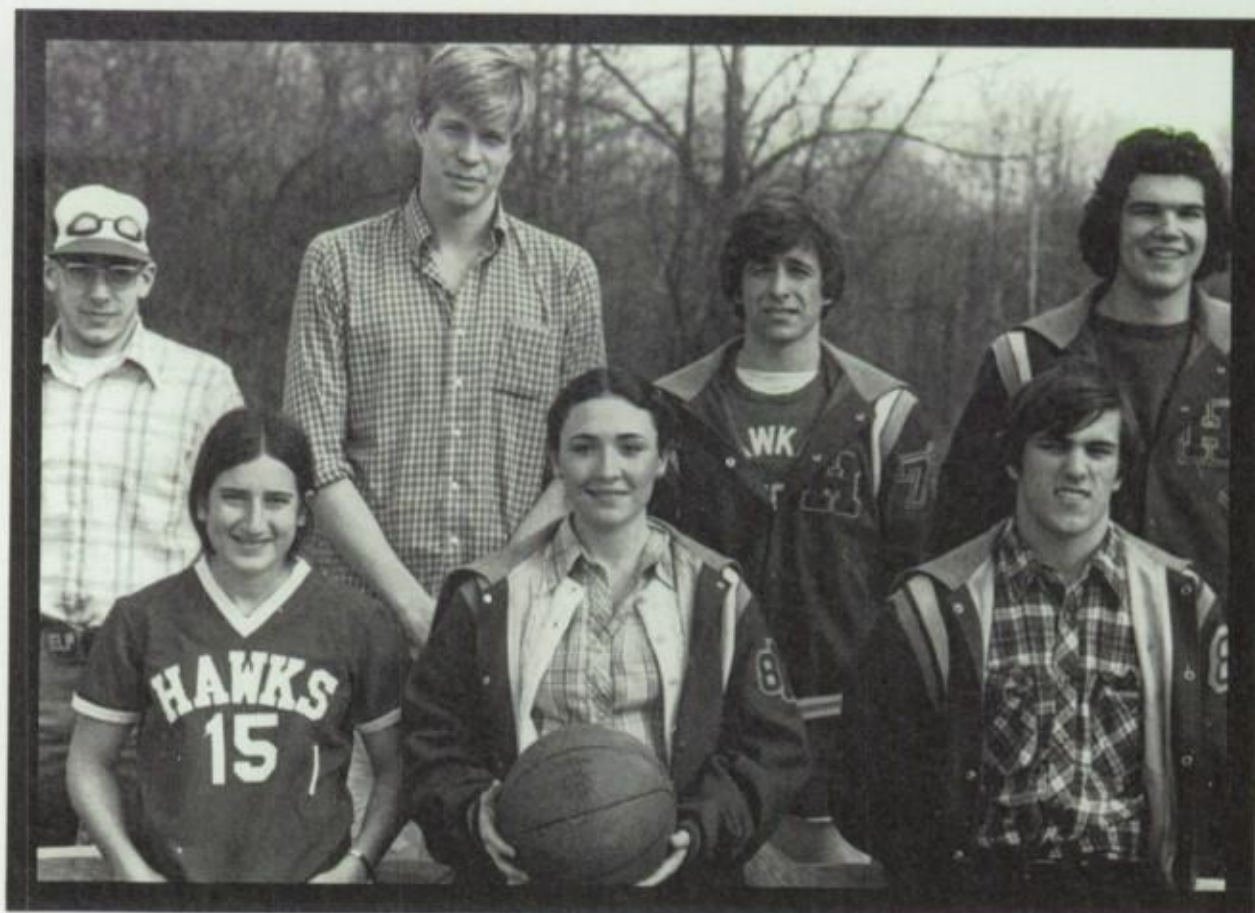

Altogether, the State Champions shattered five out of six possible records, making this year's Varsity team of Poe, Rostmeyer, Rusnak, Roblin, and Easterday the most potent in the school's history.

The '78-'79 Hawken Varsity Swimming and Diving Team enjoyed a highly successful season, preserving the Hawken tradition of achievement in the sport. Early in the long season, which extends from September to March, this year's squad established its reputation for unusual dedication and high spirit.

The season began with the ISSL Relay Championships. Despite victories in the 200 backstroke relay, 200 butterfly relay, 400 IM relay, 400 free relay and 800 free relay, arch rival Kiski Prep edged the Hawks by 2 points. The U. S. meet followed, and Hawken drowned the Preppers for the fifth consecutive year. Victories from Senior co-captains Mike Wright and Andy Eckert set the pace for the squad whose depth began to show in a big way. With over 20 underclassmen contributing, the Hawks revealed their potential.

The team set as its main goal for the season their fourth consecutive North-Northeast District Championship. So dual meet losses to powerhouses Akron Firestone and Kiski Prep (Hawken's first dual meet

defeats in 5 years - a skein of 51 meets.) didn't demoralize the Hawken swimmers. The Hawks kept their sights on the District meet. The team planned to dispel any doubts concerning Hawken's dominance of the Cleveland swimming scene.

The meet started on a high note with the 200 medley team of sophomore Jim Branden, wright, frosh Mark Hontas and Sr. J.J. Van Landeghem grabbing second place, only .01 second from victory. In the 200 free, Jr. John Collis finished in the show position while Eckert took fourth. Defending champion Wright repeated as 200 IM titlist with Branden two spots behind. Butterflyer Hontas added a fourth in a strong 100 fly field to add more points to the team effort. With Jr. John Braun's fourth place in 100 free, and the Eckert- Collis 1-2 runaway finish in the 500 free, the Hawks began to pull away. Branden and Frosh Ted Esselstyn kept up the pressure with a 3-4- 100 backstroke finish. Wright's runner-up effort in the 100 breast led into the victorious 400 free relay. The team of Collis, Braun, Van Landeghem, and Eckert iced the victory by nipping top competitor Euclid High School. The final result? Hawken 230 points. 2nd place Euclid - 115 points.

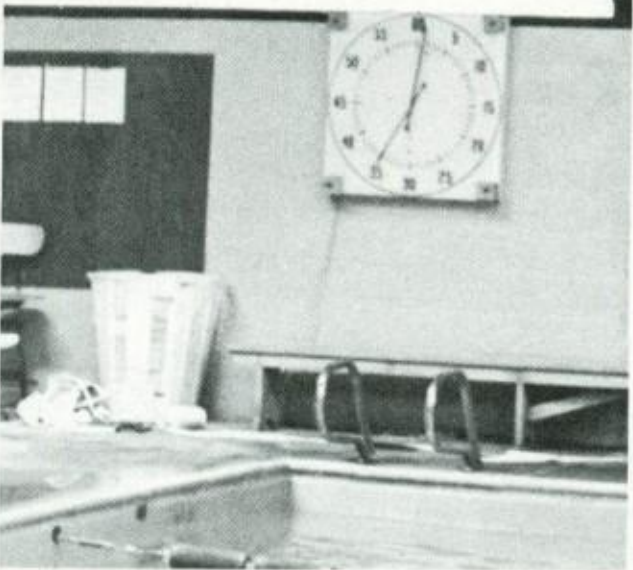

This impressive victory, of course, was secured by the other place finishers - Frosh Andy Stack, Soph. Chuck Westbrook and Steve Reid, Juniors Glenn Houser, Rick Heffern, Dyke Easterday and Chip Ellmers.

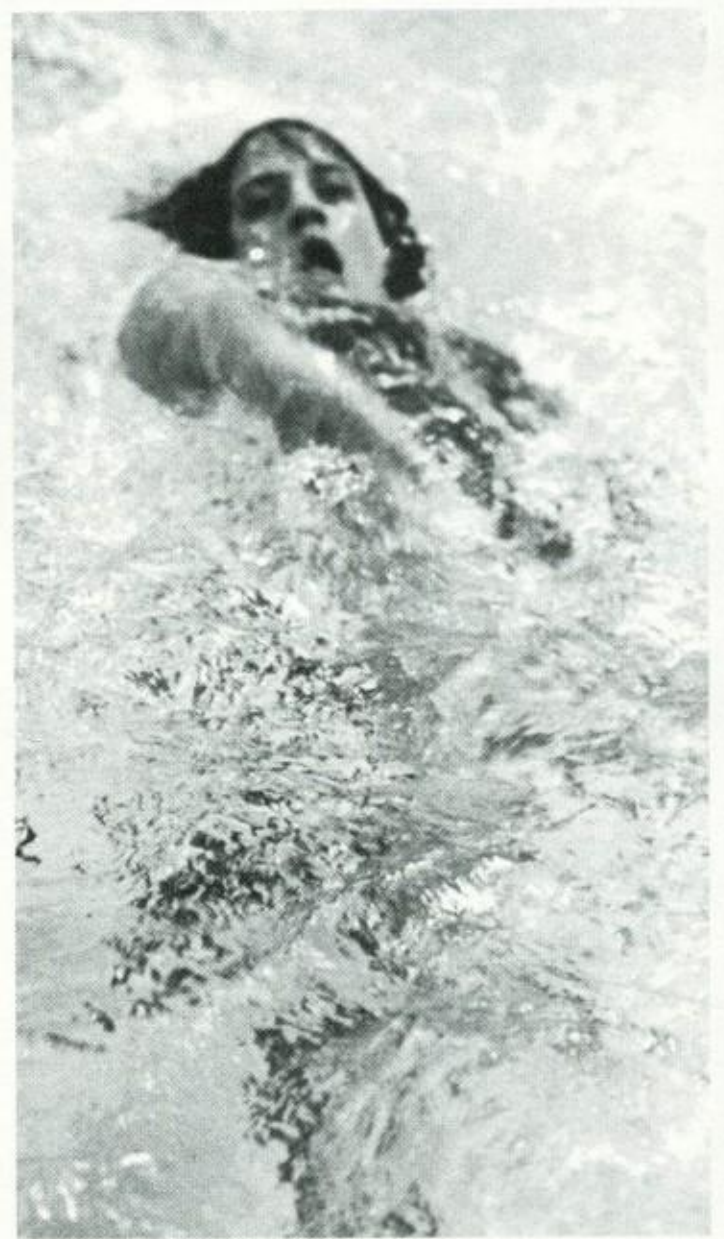

Next year's squad will be strong again. With further contributions from Freshmen Paul Braun, Chip von Weise, Peter Henkel and Scott Bowen, Sophomores Rich Stoddart, Dan Braun and Gib Kirkham the future looks bright. Also, returning divers Jane Selis, Claudia Richardson, Mark Hontas and Glen Girty will add important points in all the meets.

While Seniors Wright, Van Landeghem and Eckert will be missed, a solid corps of Juniors will provide vital leadership for next year's team.

The team would like to pay tribute to our two dedicated coaches, Jerry Holtrey and Nat Carter, and to managers Mary and Debbie. Also, many thanks to enthusiastic support of the swimmers' parents.

Special congratulations to Hawken's first four-year varsity female swimmer, Kerry Whelan.

Although Coach Tom Bryan's experienced basketball squad had high hopes at the beginning of the season, they finished with only a 4-15 record. The cagers started with eight returning lettermen, four of whom saw starting action. However, winning ways did not come easy. One main problem was that of height; of eleven players, there stood one six feet tall.

The Hawks victories came over Shadyside, Maumee Valley, Lake Ridge and Bratenahl. In these games, the hoopsters were able to play solidly offensively and defensively throughout the entire game. Hawken also lost two games each by a single hoop, against University School and Richmond Heights. The lack of consistency hurt the Hawks, pushing them out of close games with powers such as Gilmour and Independence.

There were some individual highlights during the season. Senior co-captain Jim Bresnicky and junior Jeff Hoasley were named to the all-tournament team at the Gilmour Tournament. Bresnicky, who was awarded the Old-Board award, led the team in scoring and rebounding. Hoadley, a six-foot three center, came on strong during the course of the season to become a good defensive player and offensive threat, including a 24 point game against Maumee.

Another varsity standout was sophomore Dale Kates. Kates awed fans with brilliant passing and ball-handling, in addition to leading the team with 74 assists.

Senior Jon Landsman quarterbacked the team on the floor. He was the top defensive player as well as being a big clutch shooter and playmaker. Senior co-captain Eric Lasky scored 18 points against W.R.A. and Lake Ridge and handled guard duties with Kates. Senior Tom Quigley, who saw much starting action, pitched in 18 points against Richmond Heights.

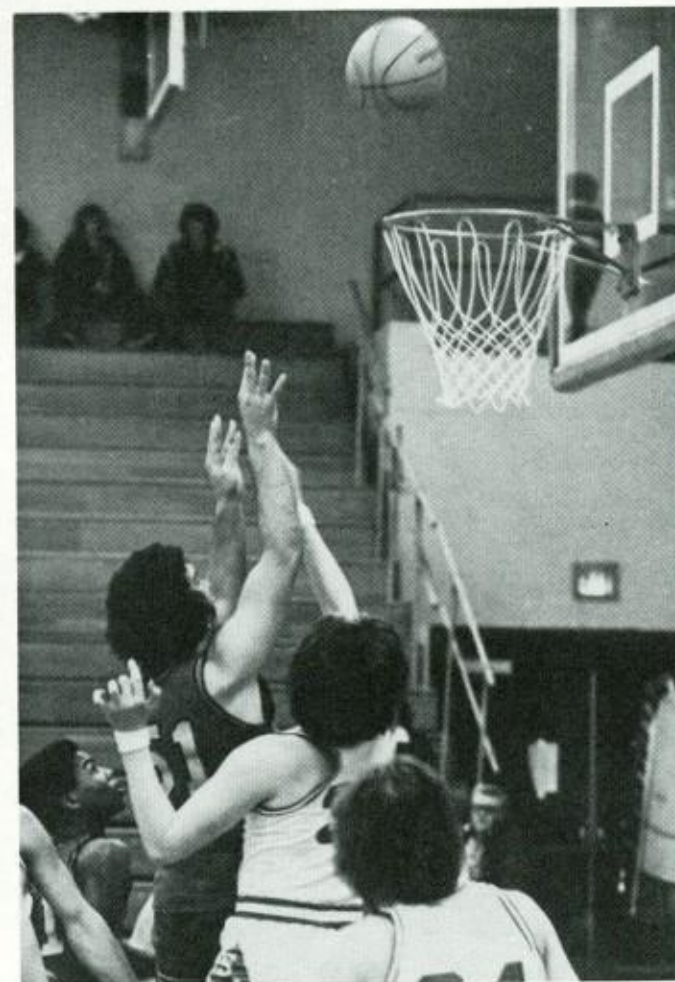

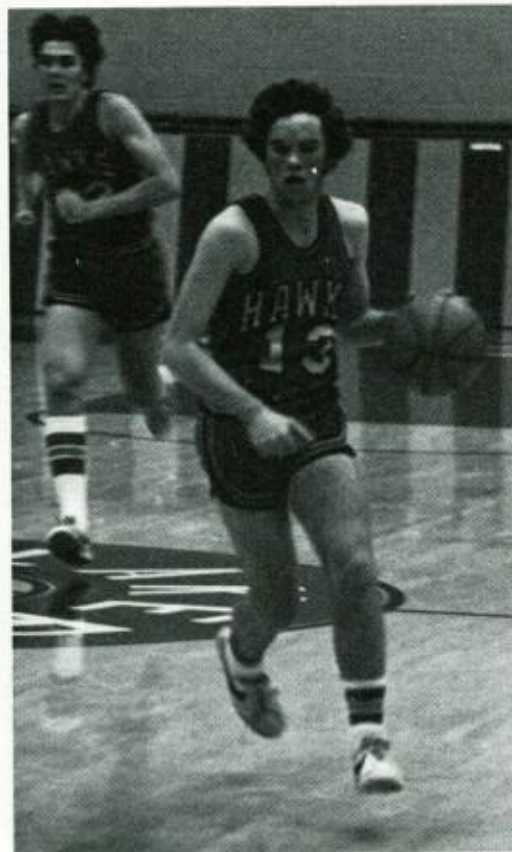

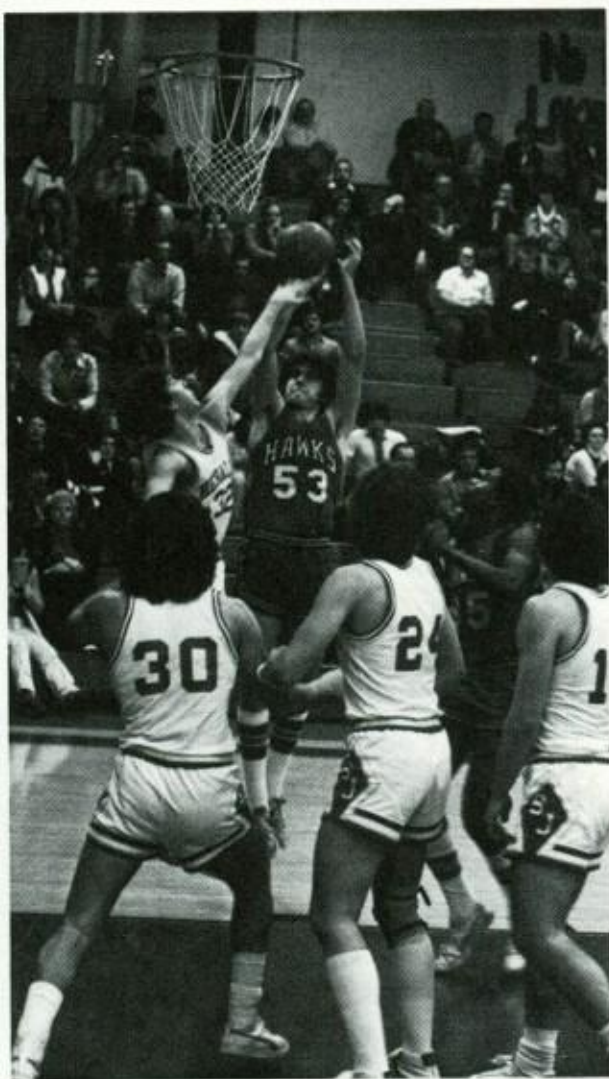

Seniors Dale Schwartz and Kent Buhl, and Juniors Mark Kalina, Gerald Johnson, and Kirk Nahra also helped to spark the team through continued hustle. Even though the Hawks had a frustrating year, the season did include many exciting moments.

The 1978-79 Wrestling Team achieved a .500 season; something no other Hawken Wrestling Team has been able to accomplish in the past decade. We started, well in December we lost none and won 3 surpassing the previous year's 2-10 record. With a little bit of luck our 6-6 dual meet record could have been considerably better. We tied with arch-rivals W.R.A. and U.S., and were ahead of Trinity before losing on forfeits.

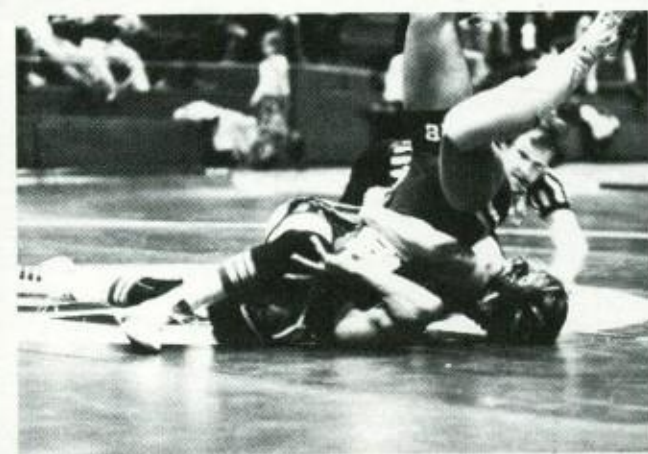

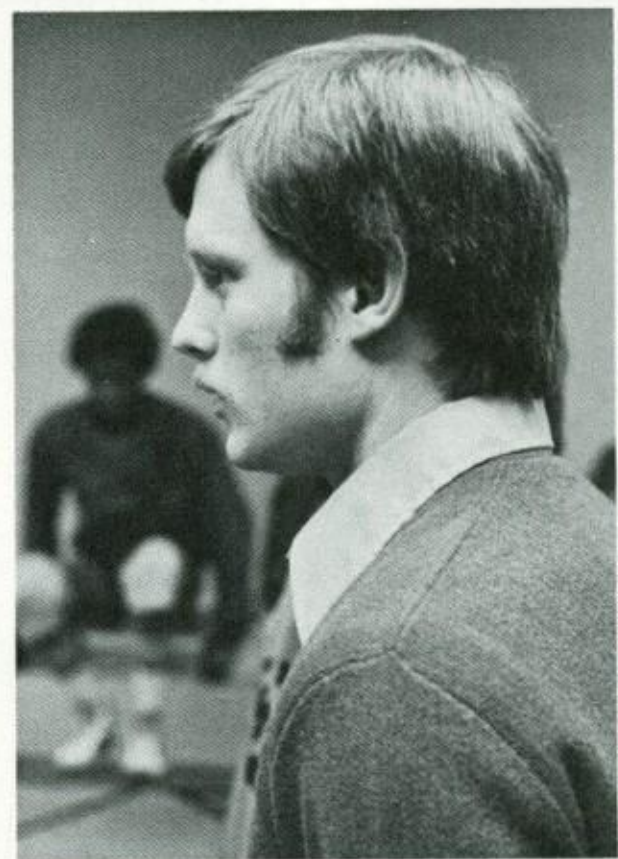

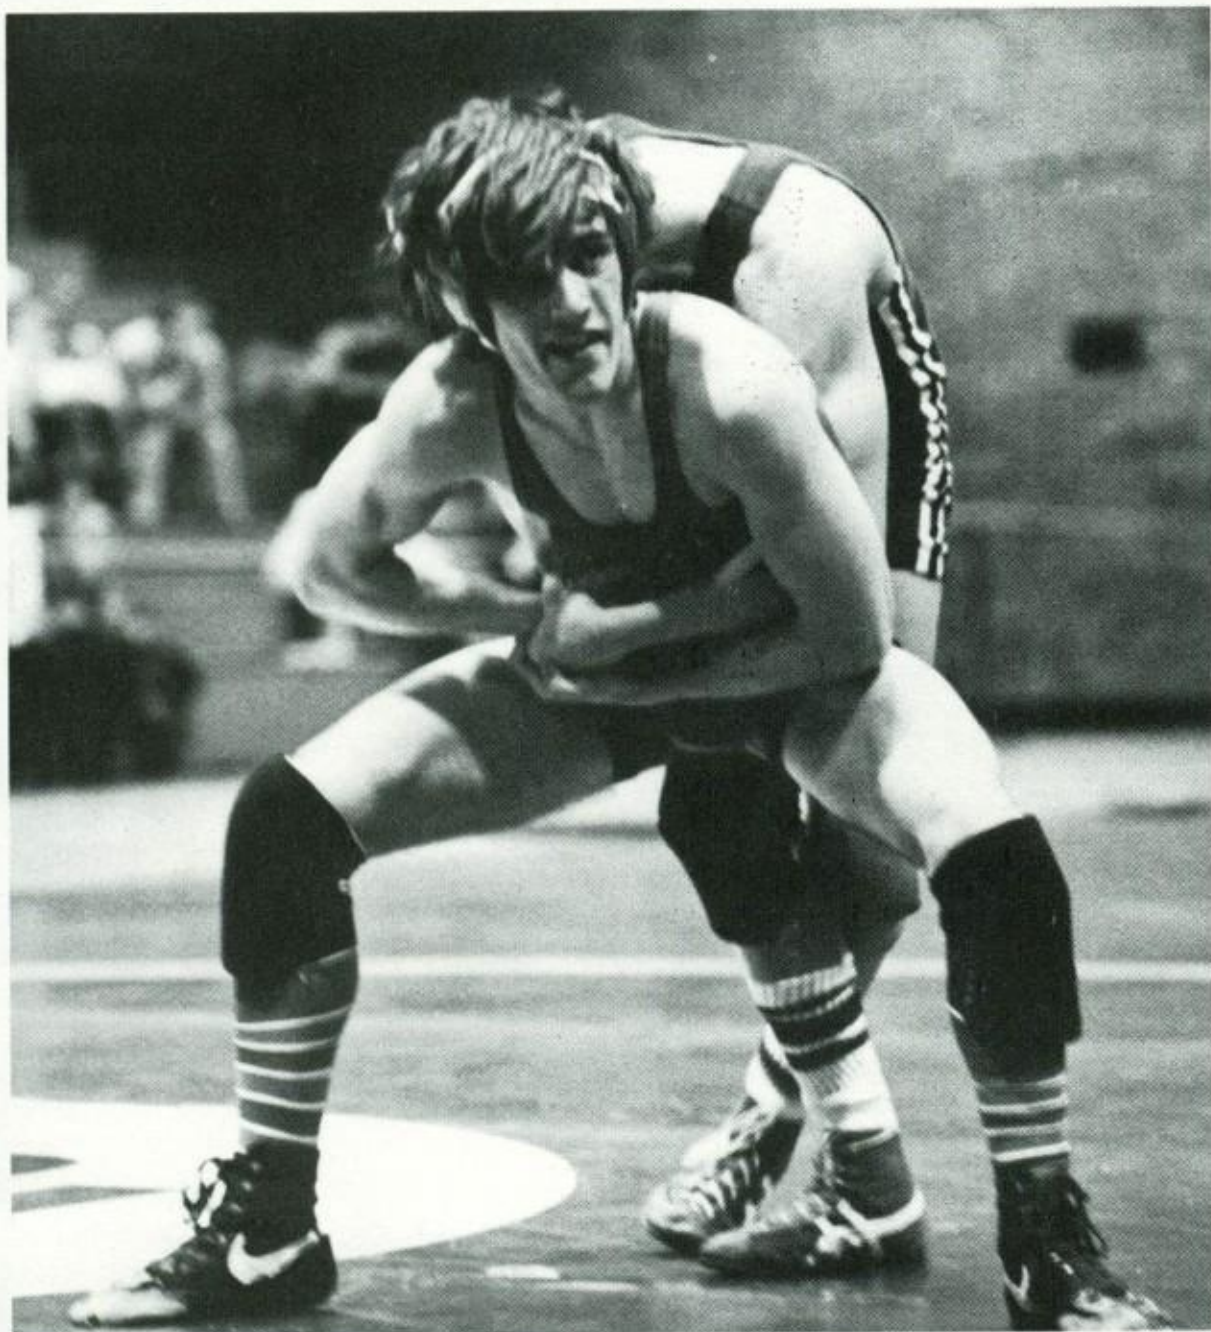

The fine showing this season was spearheaded by the small but strong senior contingent. The four seniors accounted for just over half of the team's victories and more than half of the pins with a 40-5-3 combined dual meet record. Jim Logan (98lbs., 8-3-1) probably the most improved wrestler, finished a very commendable 4th in sectionals and in the District. However, the rest of the seniors were plagued by illness at tournament time. Captain Andy Bray (119lbs., 11-0-1, 1st Hawken Tournament) was prevented from competing in sectionals for the second straight year. He came down with mononucleosis. Brad Poe (138lbs., 12-0, 3rd Hawken Tournament) had the flu before sectionals, but still managed a 2nd. Poe finished a fine 3rd at Districts. Bob Hoge (145lbs., 9-2-1, 3rd Hawken Tournament) had a severe cold during sectionals. Only the two best wrestlers could eliminate him in his weakened condition.

The premier underclassman was soph. Dan Rositano (112lbs., 11-1). He placed a very respectable 3rd in sectionals and a 4th in Districts. His future is quite promising. Soph. Paul Frankmann (105lbs., 8-4) was a very pleasant surprise. He finished 4th in sectionals; look for continued improvement next year. Sophs. Mike Greenberg, Jeff Turi, Mike Wagner and Doug Mecasky showed dedication and hard work. Their chief weakness was inexperience; time can and will cure this. Another nice surprise were the fine spot performances of frosh. Len Slodov and Dave Zellinger.

We would like to thank Coach Davis and especially first year head coach Cliff Walton. These words do not seem enough.

WRESTLING

GIRL'S BASKETBALL

This year's Girls Varsity Basketball team had its finest year ever. The 16-5 record compiled by the team indicates the tremendous improvement over last year's team. The team had a few ups and downs throughout the season, but came on strong in the end to win a Sectional Championship. This year's winning season can be attributed to hard work, a lot of team cooperation and our 2nd year coach Doug Smith.

The team was composed of sophomores Rachel Mann and Beth Hellersein, Juniors Debbie Fader and Donna Alemagno and Seniors Suzanne Brittenum, Sarah Silver, Sarah Kennedy, Mary Toomey, Mindi Thal, and Lisa Pearl.

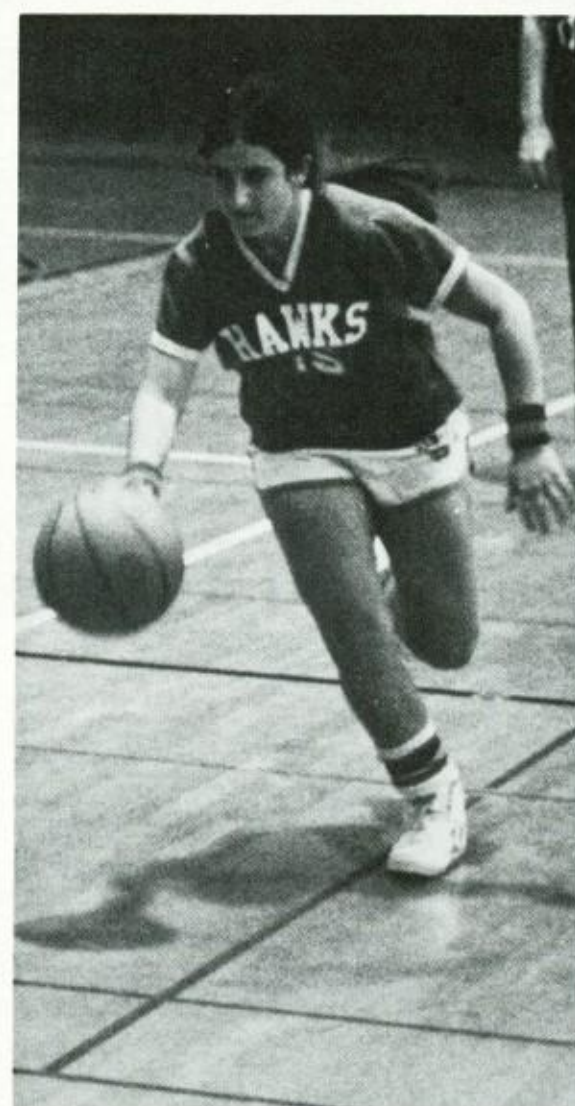

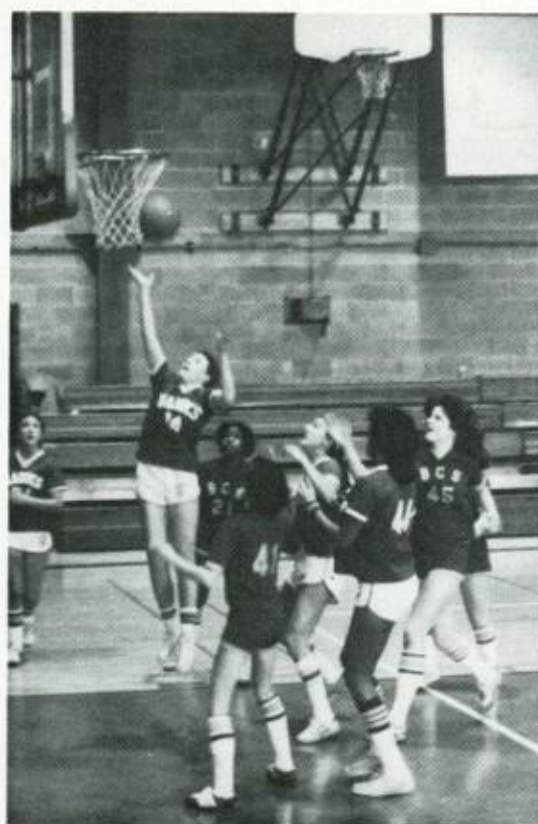

The perimeter shooting for the team was provided by Rachel Mann, Debbie Fader and Mindi Thal. Rachel probably has the most consistent outside shot on the team. She had her best game against Laurel with 12 points. Debbie added an extra dimension to the outside shooting. She was also one of the team's stronger defensive players. Mindi the play-making guard and co-captain also contributed to the outside shooting. She led the team in assists with 42 and steals with 52. Supplying the rebounding for the team was Suzanne Brittenum, Lisa Pearl, Donna Alemagno and Sarah Silver. Suzanne led the team in blocked shots averaging about 2 per game. She was strong under the boards and brought down many rebounds. Also providing rebounding was Lisa Pearl. Although at a height disadvantage, she pulled down 115 rebounds this year. Her strong defense also helped the team. Donna Alemagno was a strong rebounder. Donna was also strong on defense and very aware of what was going on on the court. Sarah Silver was the team's strongest rebounder pulling 148 offensive and defensive rebounds. Her quickness and defensive abilities control and slow down many opponents. The wings Mary Toomey and Sarah Kennedy and point-guard Beth Hellerstein rounded out the rest of the team. Mary co-captain had many steals which usually resulted in a lay-up at the other end of the floor. Mary drove to the hoop better than any other player on the team. At the other wing was Sarah Kennedy. Her good defense, various steals and consistent playing added to the quality of the team. Beth, also a play maker, helped the team with her dribbling skills and tough defense.

This year's team was well balanced, as demonstrated by the statistics. Each of the 10 members of the Basketball team contributed equally to the best of her ability.

Thanks for a good season and good luck next year Mr. Smith.

GIRLS' TRACK

The girls' track team faced more than its share of hurdles during the 1979 season. A small number of returning veterans, bad weather and cancelled track meets all added up to a somewhat stunted, but by no means ruined season.

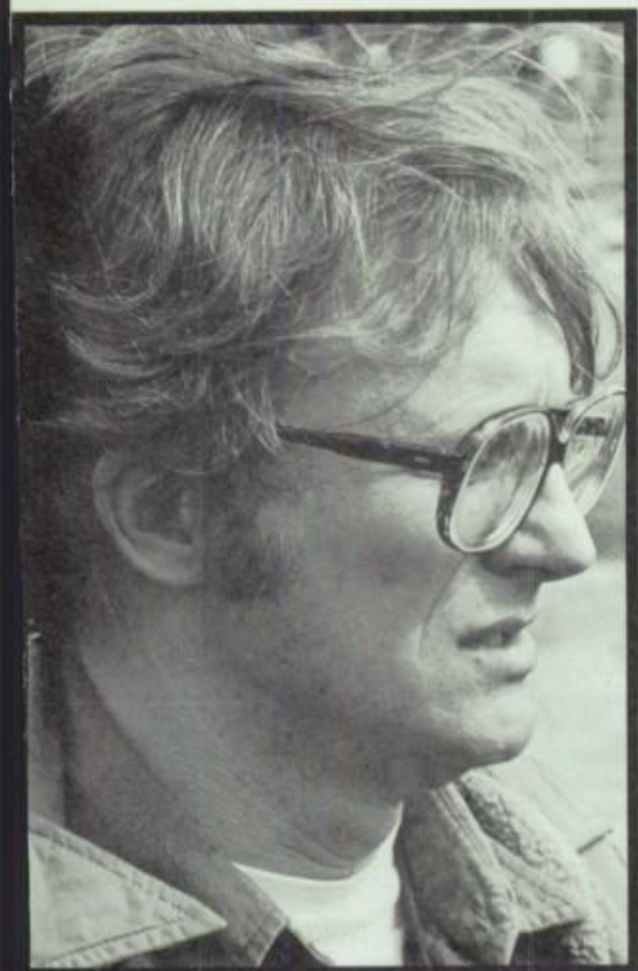

Some outstanding performances this year were tallied by Junior Jenny Murray in the 880. In her last year on the team, Murray broke the 880 record in a time of 2:37.57 and just missed qualifying for the district meet. Eleanor Hitchcock, recipient of the coaches' award, ran beautifully on the district qualifying 880 medley relay team. Denny Eaton, an outstanding freshman, clocked personal bests in the 220 and ran on the 880 medley team with Eleanor. Sarah Silver qualified for the state track meet in the 100, 220, and 440. She was district champ in the 440. During the season Silver broke the 100 and 440 records (11.5 & 59.8), and tied the high jump record (4'8", and the 220 record (26.2). The relay teams consisted of Murray, Clara Mackenzie, Hitchcock and Silver in the mile relay and Beverly Lyles, Dawn Forbes, Eaton, and Meg Belden in the 440 relay. The medley relay consisted of Vicky Cole, Belden, Diana Horvat and Hitchcock. The 880 relay team included Cole, Belden, Lyles, and Eaton. Other members of the team included Kim Humphrey (sprints), Halle Dettelbach (shot & discus), Jennifer Garson (sprints), Allison Loop (880 & mile), Roxana Zulauf (high jump & 880), Kristy Roudebush (high jump and mile), Kristy Bole (880 & mile), and Suzanne Brittenum (mile).

This year's seniors, Hitchcock, Silver, Mackenzie, Brittenum and Cole are all 4 year varsity members. It was their leadership and the coaching of Keith Warner that helped the team remain an obvious force at meets. Much of the enjoyment of being a member of the Hawken Track Team came from the sense of comradery. The friendships were more than enough to overcome the rain, the workouts, and the harassments of Coach Warner.

BOYS' TENNIS

BOTTOM ROW: C. von Weise, K. Nahra, B. Johnson, T. Jacobs MIDDLE ROW: R. Heffern, Coach Nold, P. Nahra TOP ROW: P. Bricker, M. Gillinov, R. Testman, R. Edgerton

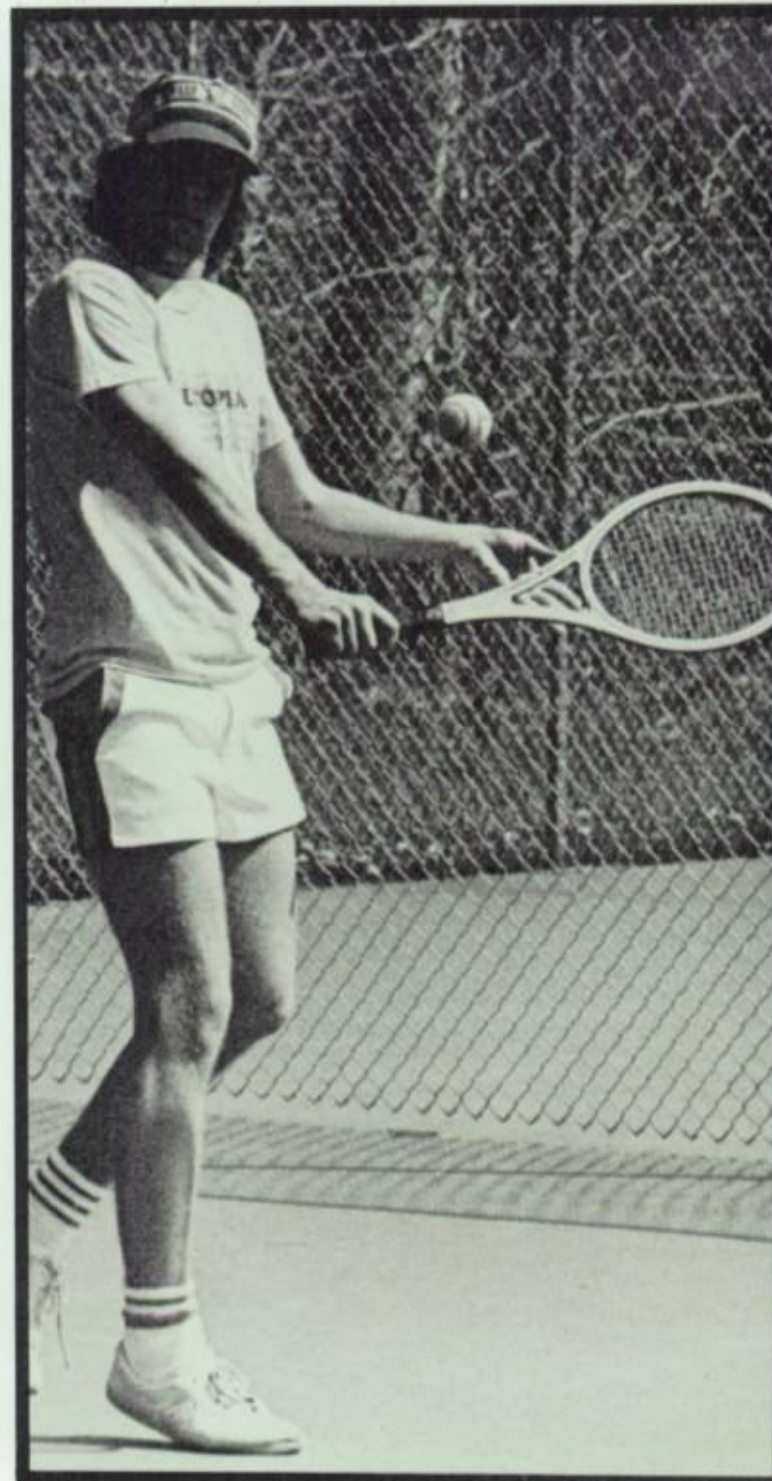

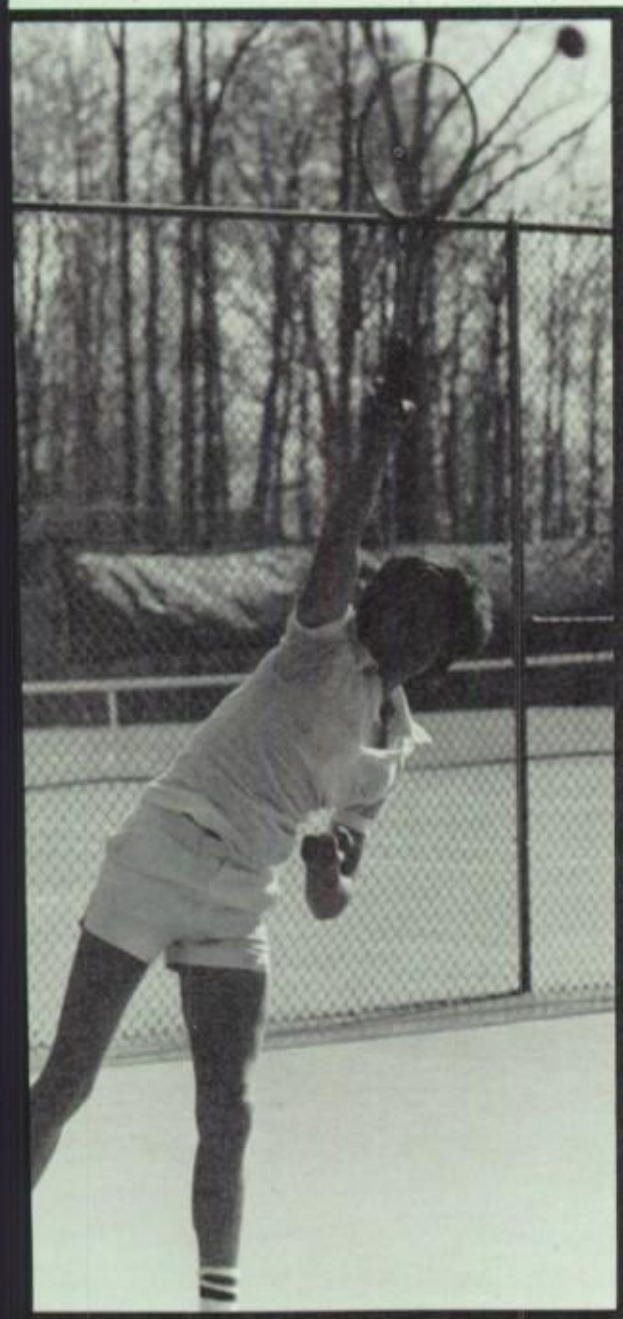

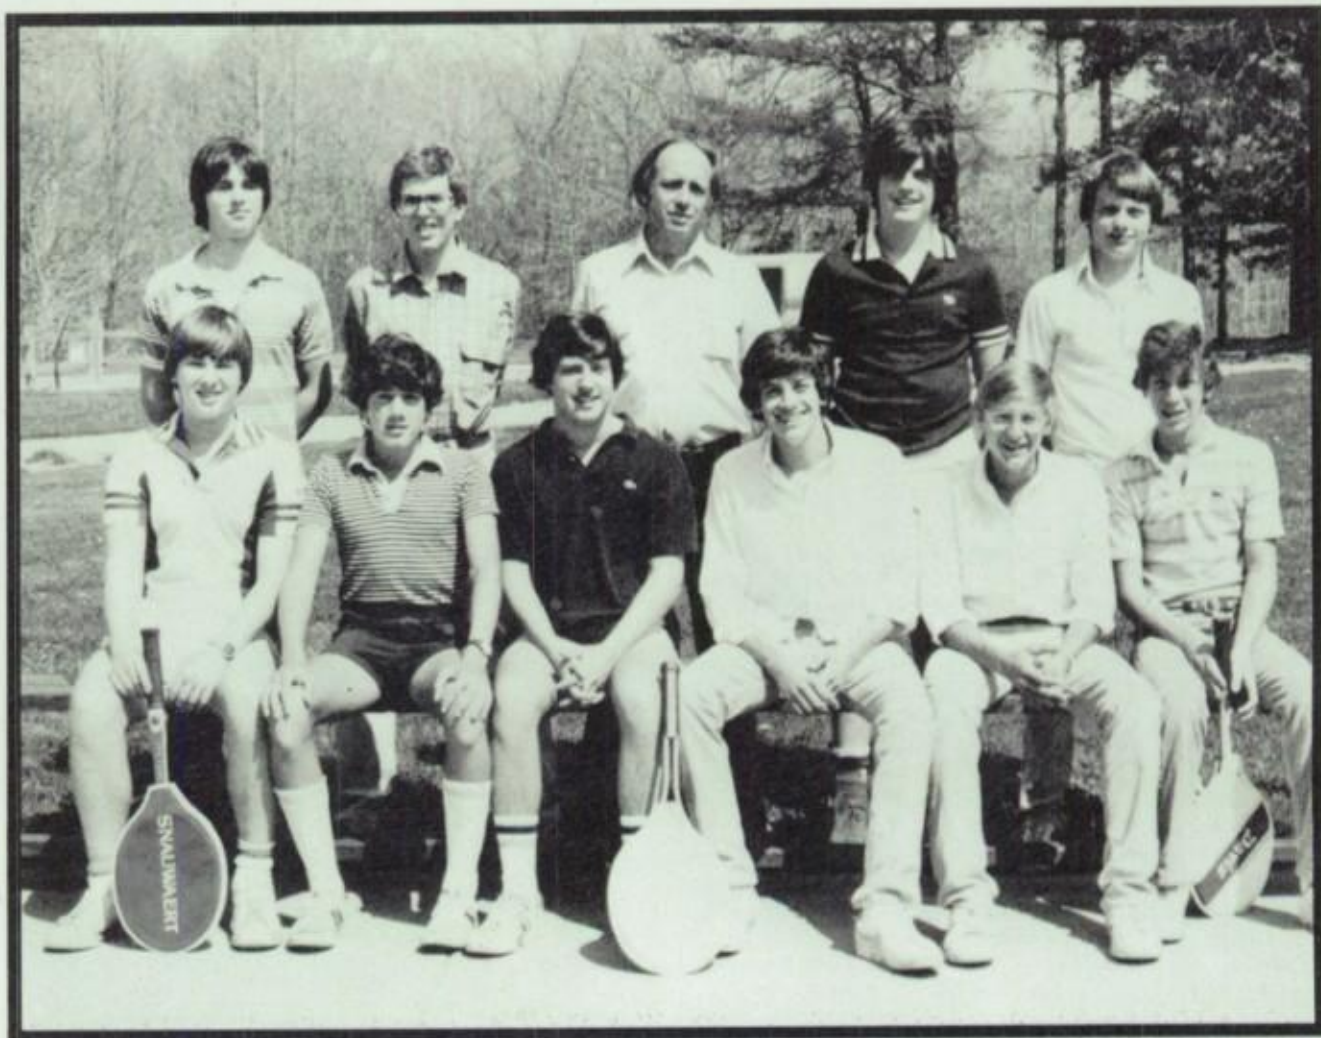

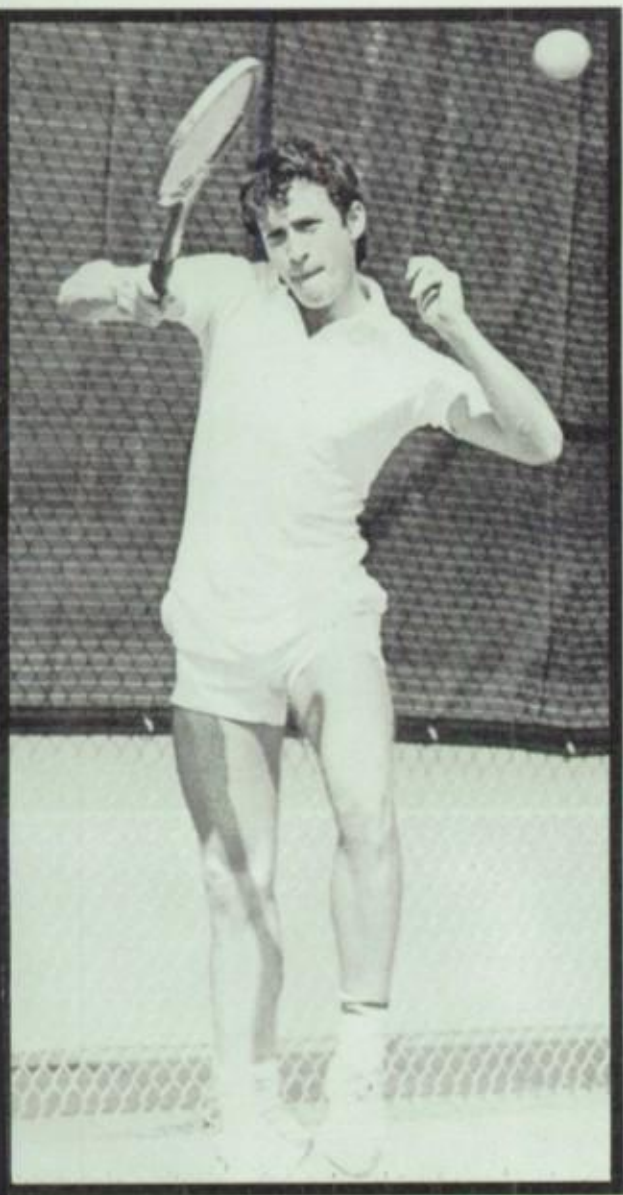

Although the 1979 varsity tennis team finished with a mediocre 9-9 record, the season was a very successful one. Six of these losses were by one point, so the possibility of a 15-3 season did exist. The team entered the season with four returning lettermen, all underclassmen, and four new players.

Throughout the season, the netters were led by junior captain, Kirk Nahra. Nahra played the demanding first singles position for the second year in a row, and finished with a very respectable 13-5 record against the area's toughest talent. The second singles player was sophomore Paul Nahra, who also saw some doubles action. He finished his season with eight consecutive wins to conclude his year with an 11-7 mark. Third singles was one of the weaker parts of the team, but junior Marc Gillinov and others were usually able to get the job done.

The first doubles position was one of the most dependable slots on the team. Returning junior Rob Edgerton and newcomer Norm Gilbert finished with 12-5 and 12-3 records respectively. They also saw some singles action. The second doubles team solidified around midseason and eventually became a winning combination. Old Board winner Tony Jacobs and frosh Pat Bricker played well throughout the season, but unfortunately Hawken will be losing these two talented players next year. Senior Bob Johnson, junior Rick Heffern, and freshmen Chip von Weise and Rob Testman all contributed to the team this year.

The state tournament was the highlight of the season. Gilbert and Edgerton took fourth place in the sectional and then advanced to the district. The new tandem of Kirk and Paul Nahra romped through the sectional and district tournament, taking first place in both events without the loss of a single set. They went on to place second in the state, by far the best finish in Hawken Boys' Tennis history.

With the departure of only two of the top seven players, varsity tennis team has an excellent future and should improve greatly on this year's record.

Despite a disappointing 12-15 record, the 1979 Hawken Baseball Team had some of the most talented players in Hawken's history. By joining the Greater Cleveland Baseball Conference, Hawken, a Class A school, faced a tough schedule of strong Class AA and AAA schools. Up against some of the stiffest competition in the state, the Hawken mitmen gained the admiration of the other teams with their excellent play. More than half of their losses were one-run losses. The season was highlighted by many individual successes.

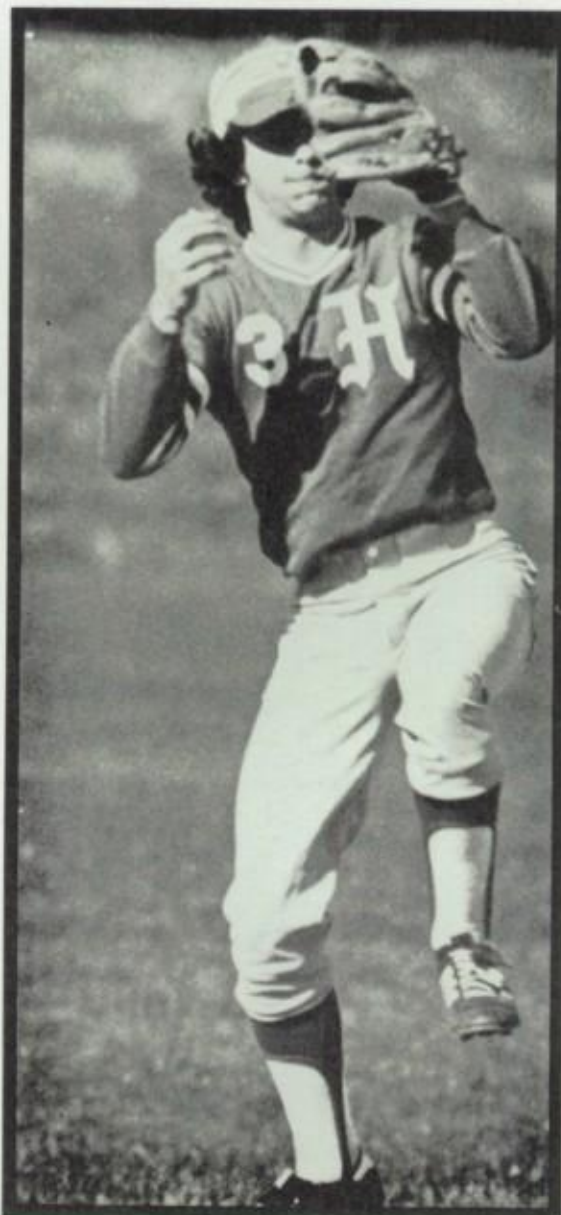

The infield was anchored by shortstop and captain Jonny Landsman. Landsman was not only a four-year letterman and the Old Board recipient, but he also received much recognition outside of Hawken. He was named to the All Greater Cleveland Area Baseball Conference Team, the East All Star team and the All Sun Press second team. All of these impressive accomplishments are overshadowed by Jonny's final achievement - being named to the All-State team. Playing first, second, and third bases were junior Chris Cabot, senior Brad Poe and sophomore standout Juan Antunez. All three were outstanding defensively as well as offensively.

The outfield positions were filled by three talented and experienced seniors - Eric Lasky, Mike Hayes, and Dale Schwartz (left, center, right respectively). Hayes and Schwartz led the team's offense with batting averages of .379 and .375 respectively. Hayes was named to the All Greater Cleveland Area Baseball Conference Team.

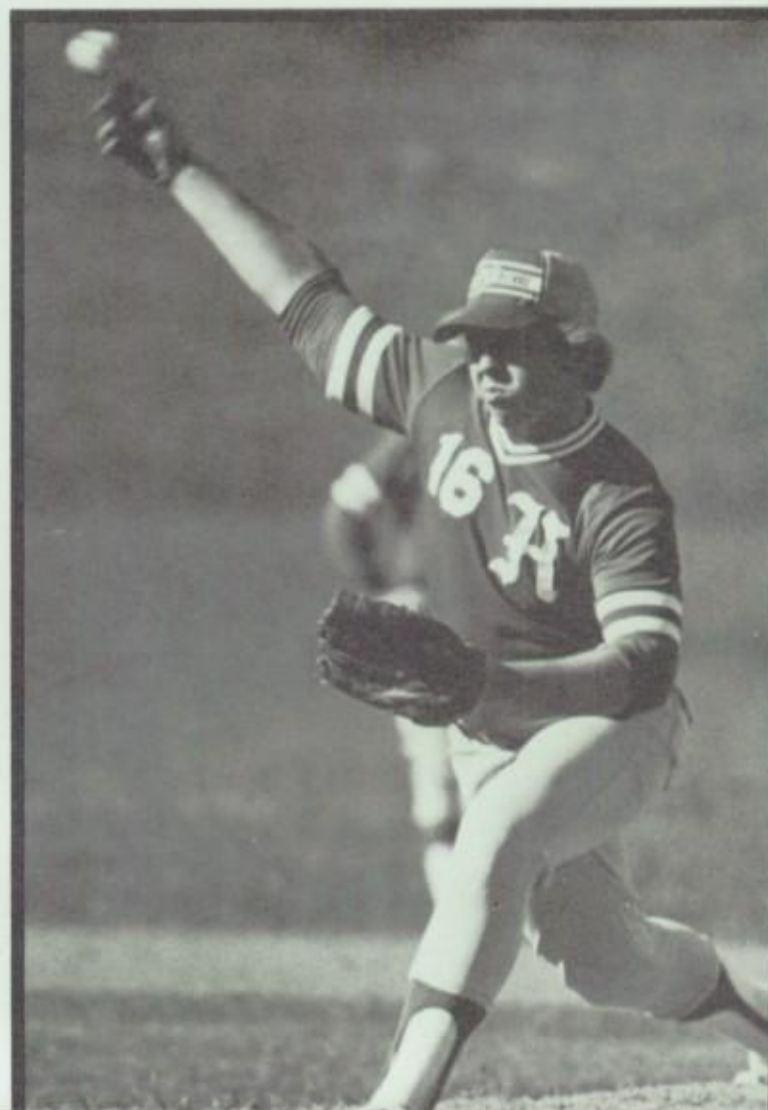

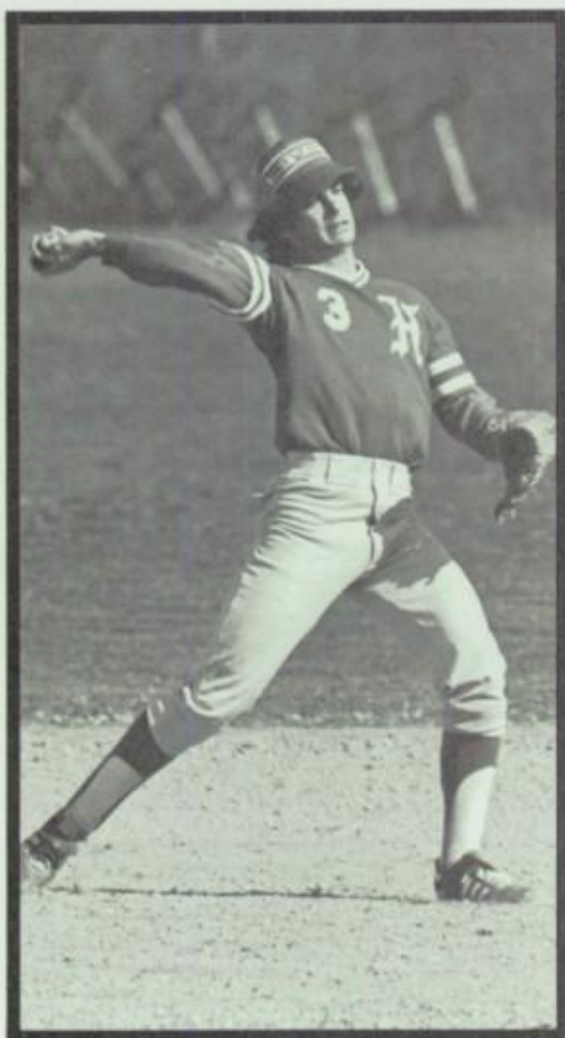

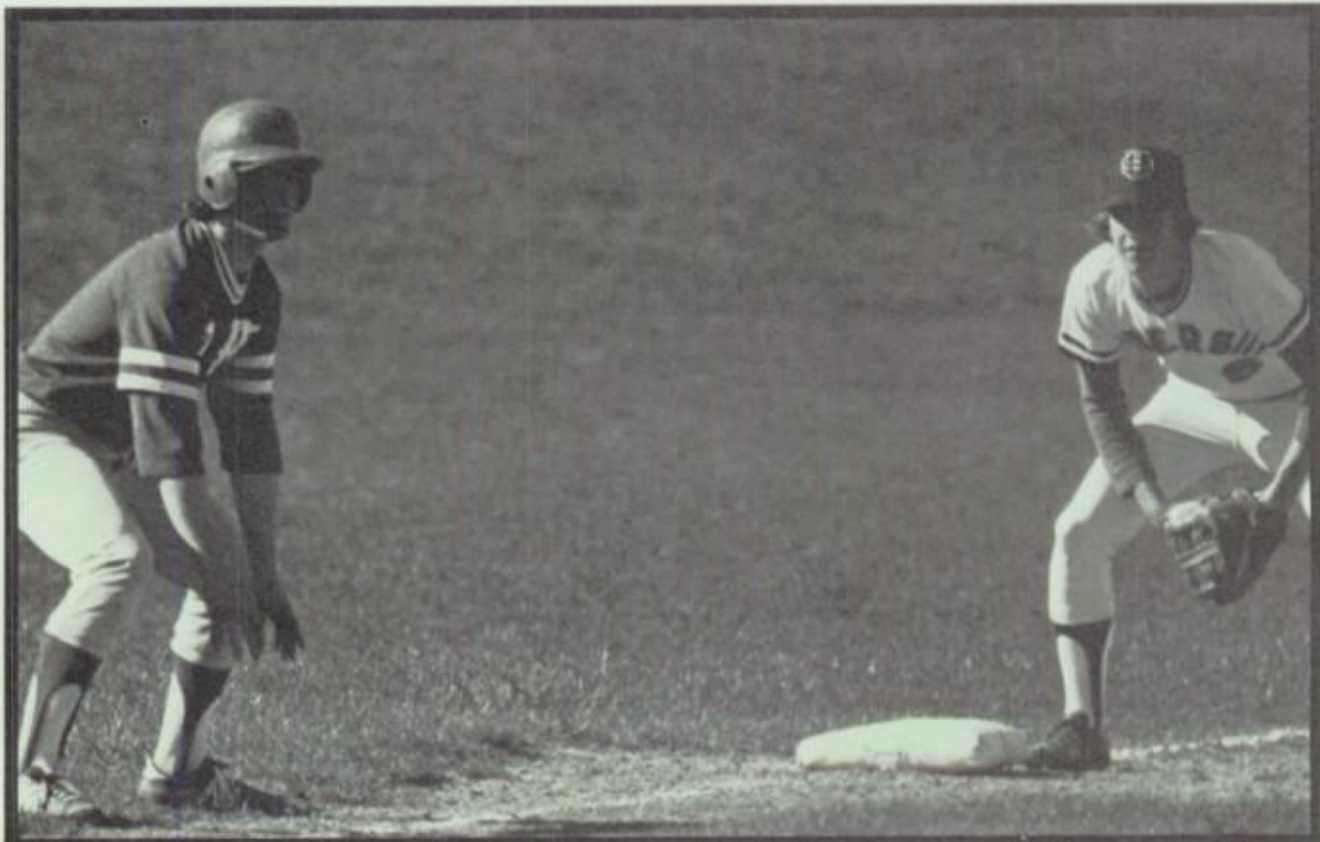

On the mound, Jim Deighan, a three year veteran, continually baffled hitters by mixing up his pitches superbly, occasionally throwing in his menacing curveball. Deighan's honors include the Coach's Award, being named to the All Greater Cleveland Area Baseball Conference team, the All-Sun second team, and gaining special mention All-Scholastic (as did Landsman). Deighan's career record was 22-7. This season, pitching against the toughest teams, Deighan allowed only one earned run. Other hurlers included Poe, Cabot, and ace-reliever, sophomore Mark Hoffman. Jim Bresnicky and Dan Goldberg alternated in the catching position giving the team excellent defense behind the plate and some timely hits.

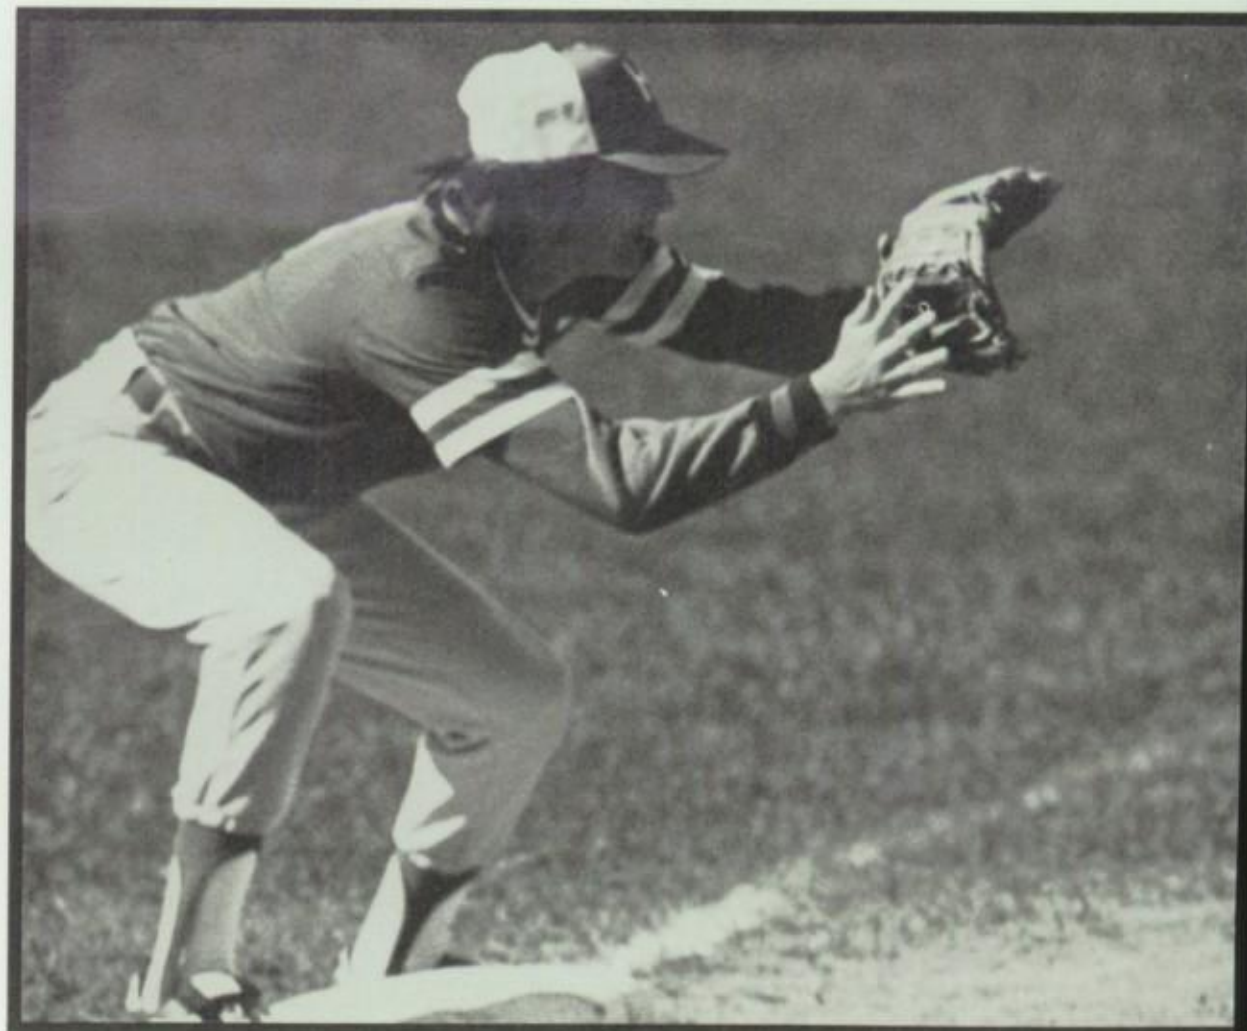

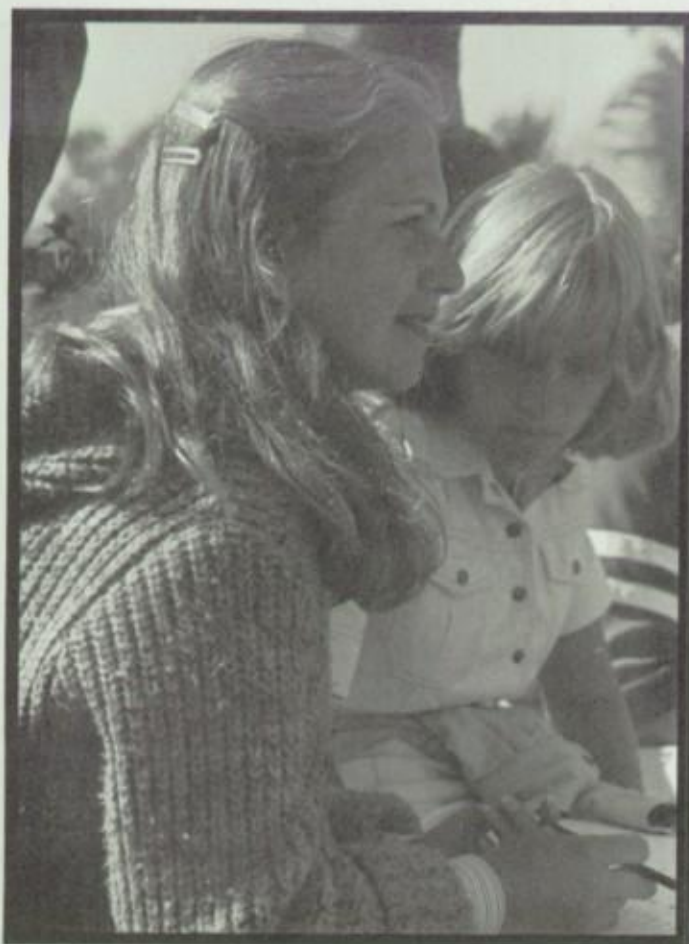

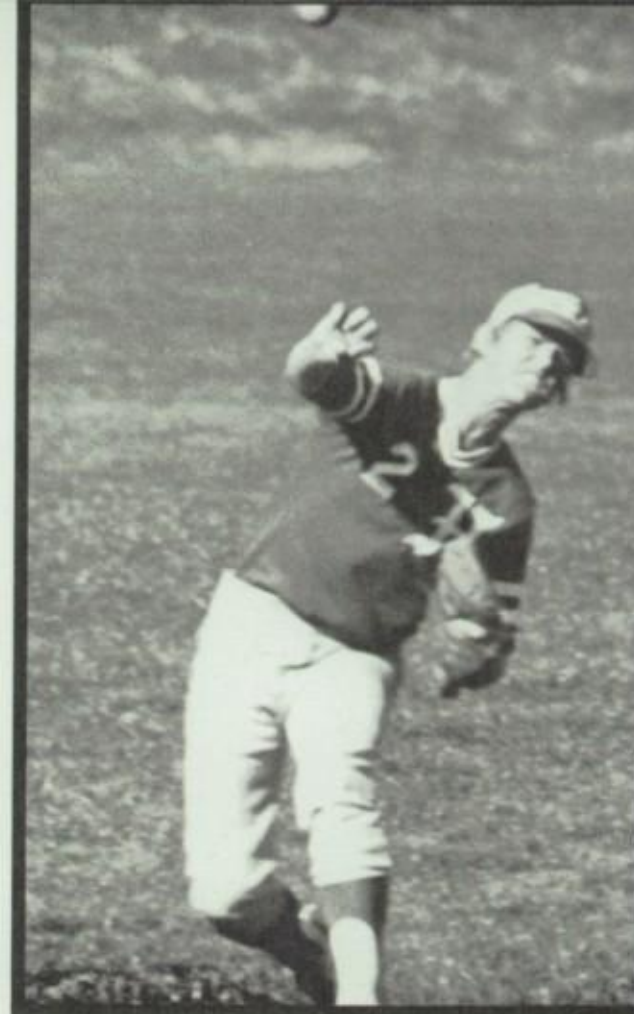

Along with Antunez, Cabot, and Hoffman, underclass lettermen such as Mark Kalina, Jon Guggenheim, Andy Fenton, Wally Steele, and Ted Esselstyn have enough talent to fill the void left by the outstanding seniors, to improve on their record and possibly to improve on their level of play.

SOFTBALL

The Hawken Softball Team enjoyed its most successful season ever in 1979. The 19-4 final record speaks for itself as did the outstanding play of the players throughout the spring.

The team was comprised of many returning seniors. Some new talent filled in the vacant slots and all in all there was not a weak position on the team. The lineup . . .

first base - senior Kathy Gill

second base - senior Lisa Pearl (Old Board Award)

shortstop - sophomore Rachel Mann

third base - senior Mindi Thal

left field - junior Debbie Fader

center field - senior captain Mary Toomey

short center field - senior Betsy Rippner & junior Donna Alemagno

right field - junior Anne Schwartz & freshman Ann Bresnicky

pitchers - sophomore Beth Hellerstein & freshman Lisa Deighan

catcher - sophomore Jane Selis

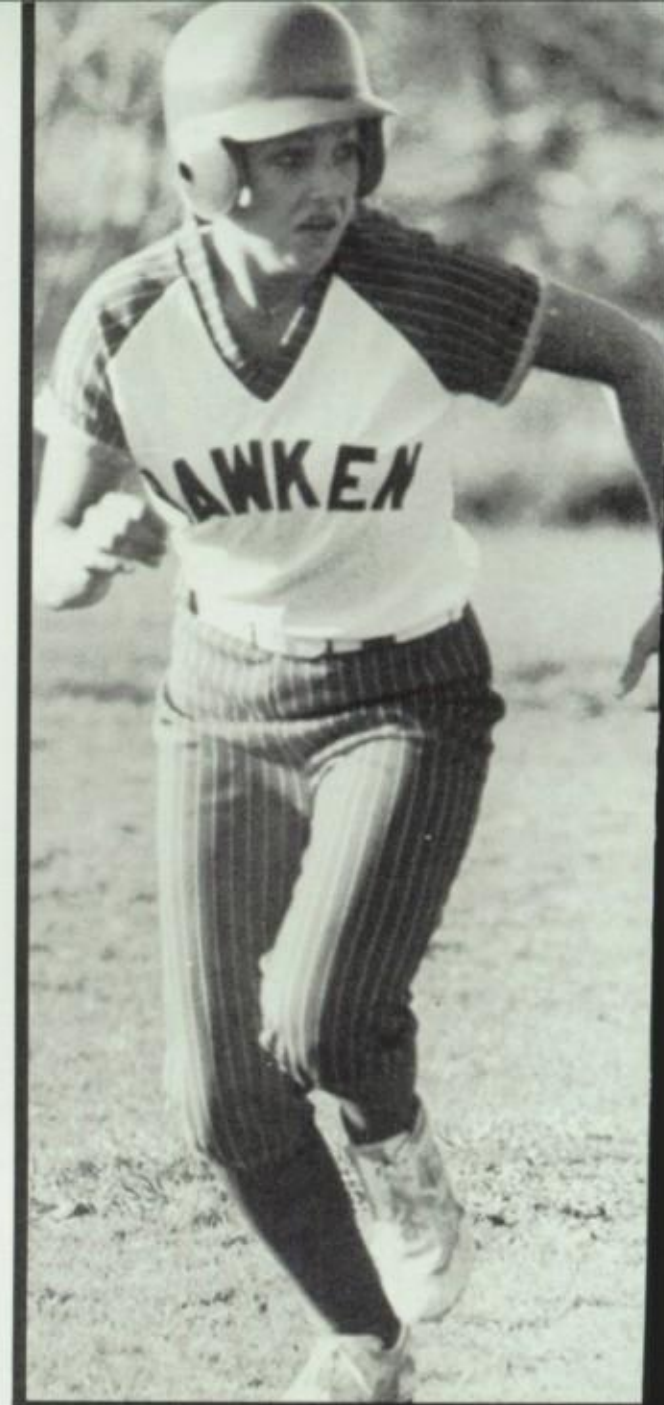

designated hitter - freshman Linda Alemagno

The seniors would like to thank Ron Robinson and gNat Carter for their outstanding coaching which helped make all of our softball season successful and a lot of fun.

BOYS' TRACK

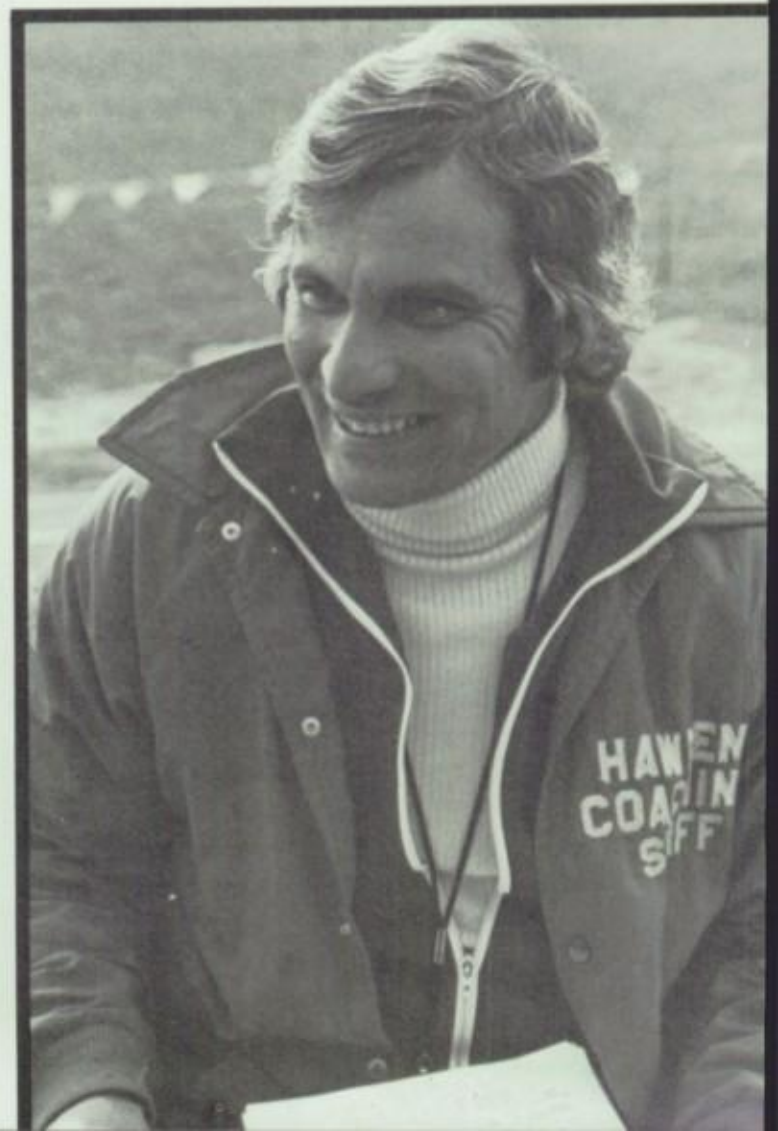

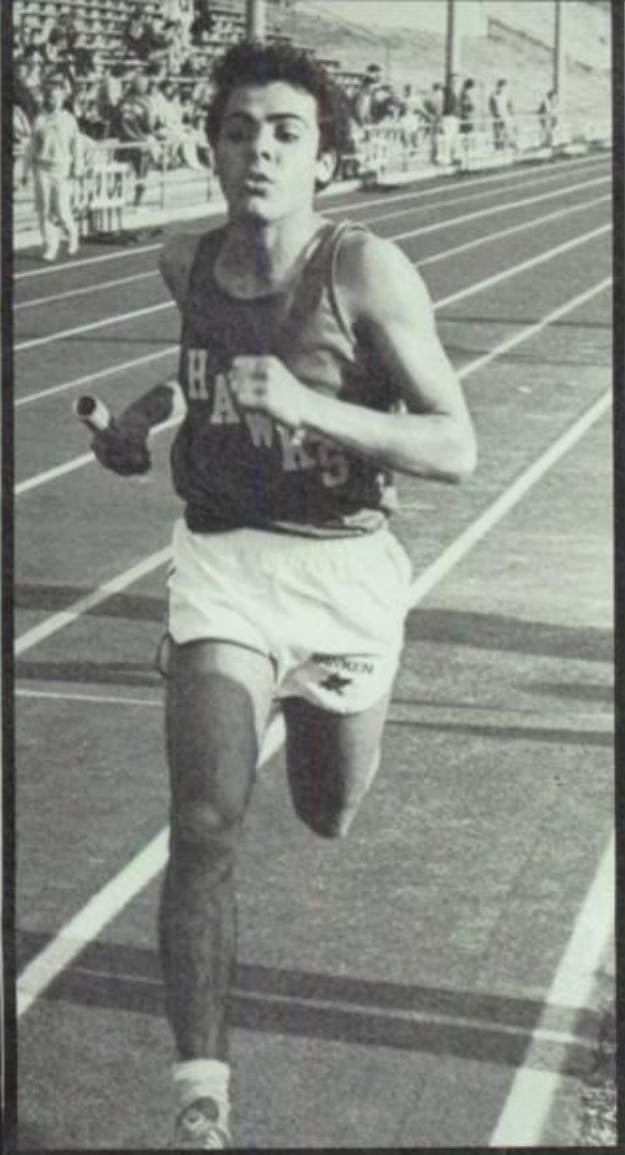

Although the 1979 Hawken Boys' Track Team only ran in seven dual meets this season (record - 4-3), they had the opportunity to display their talents at sectionals, districts, and various invitational. The team took third place in the Cuyahoga Relays, second in the Beachwood Invitational and the Sectional meet and a decisive first in the Gilmour Invitational. Eight runners qualified for districts in eight different events, and from there two advanced to the state meet in Columbus.

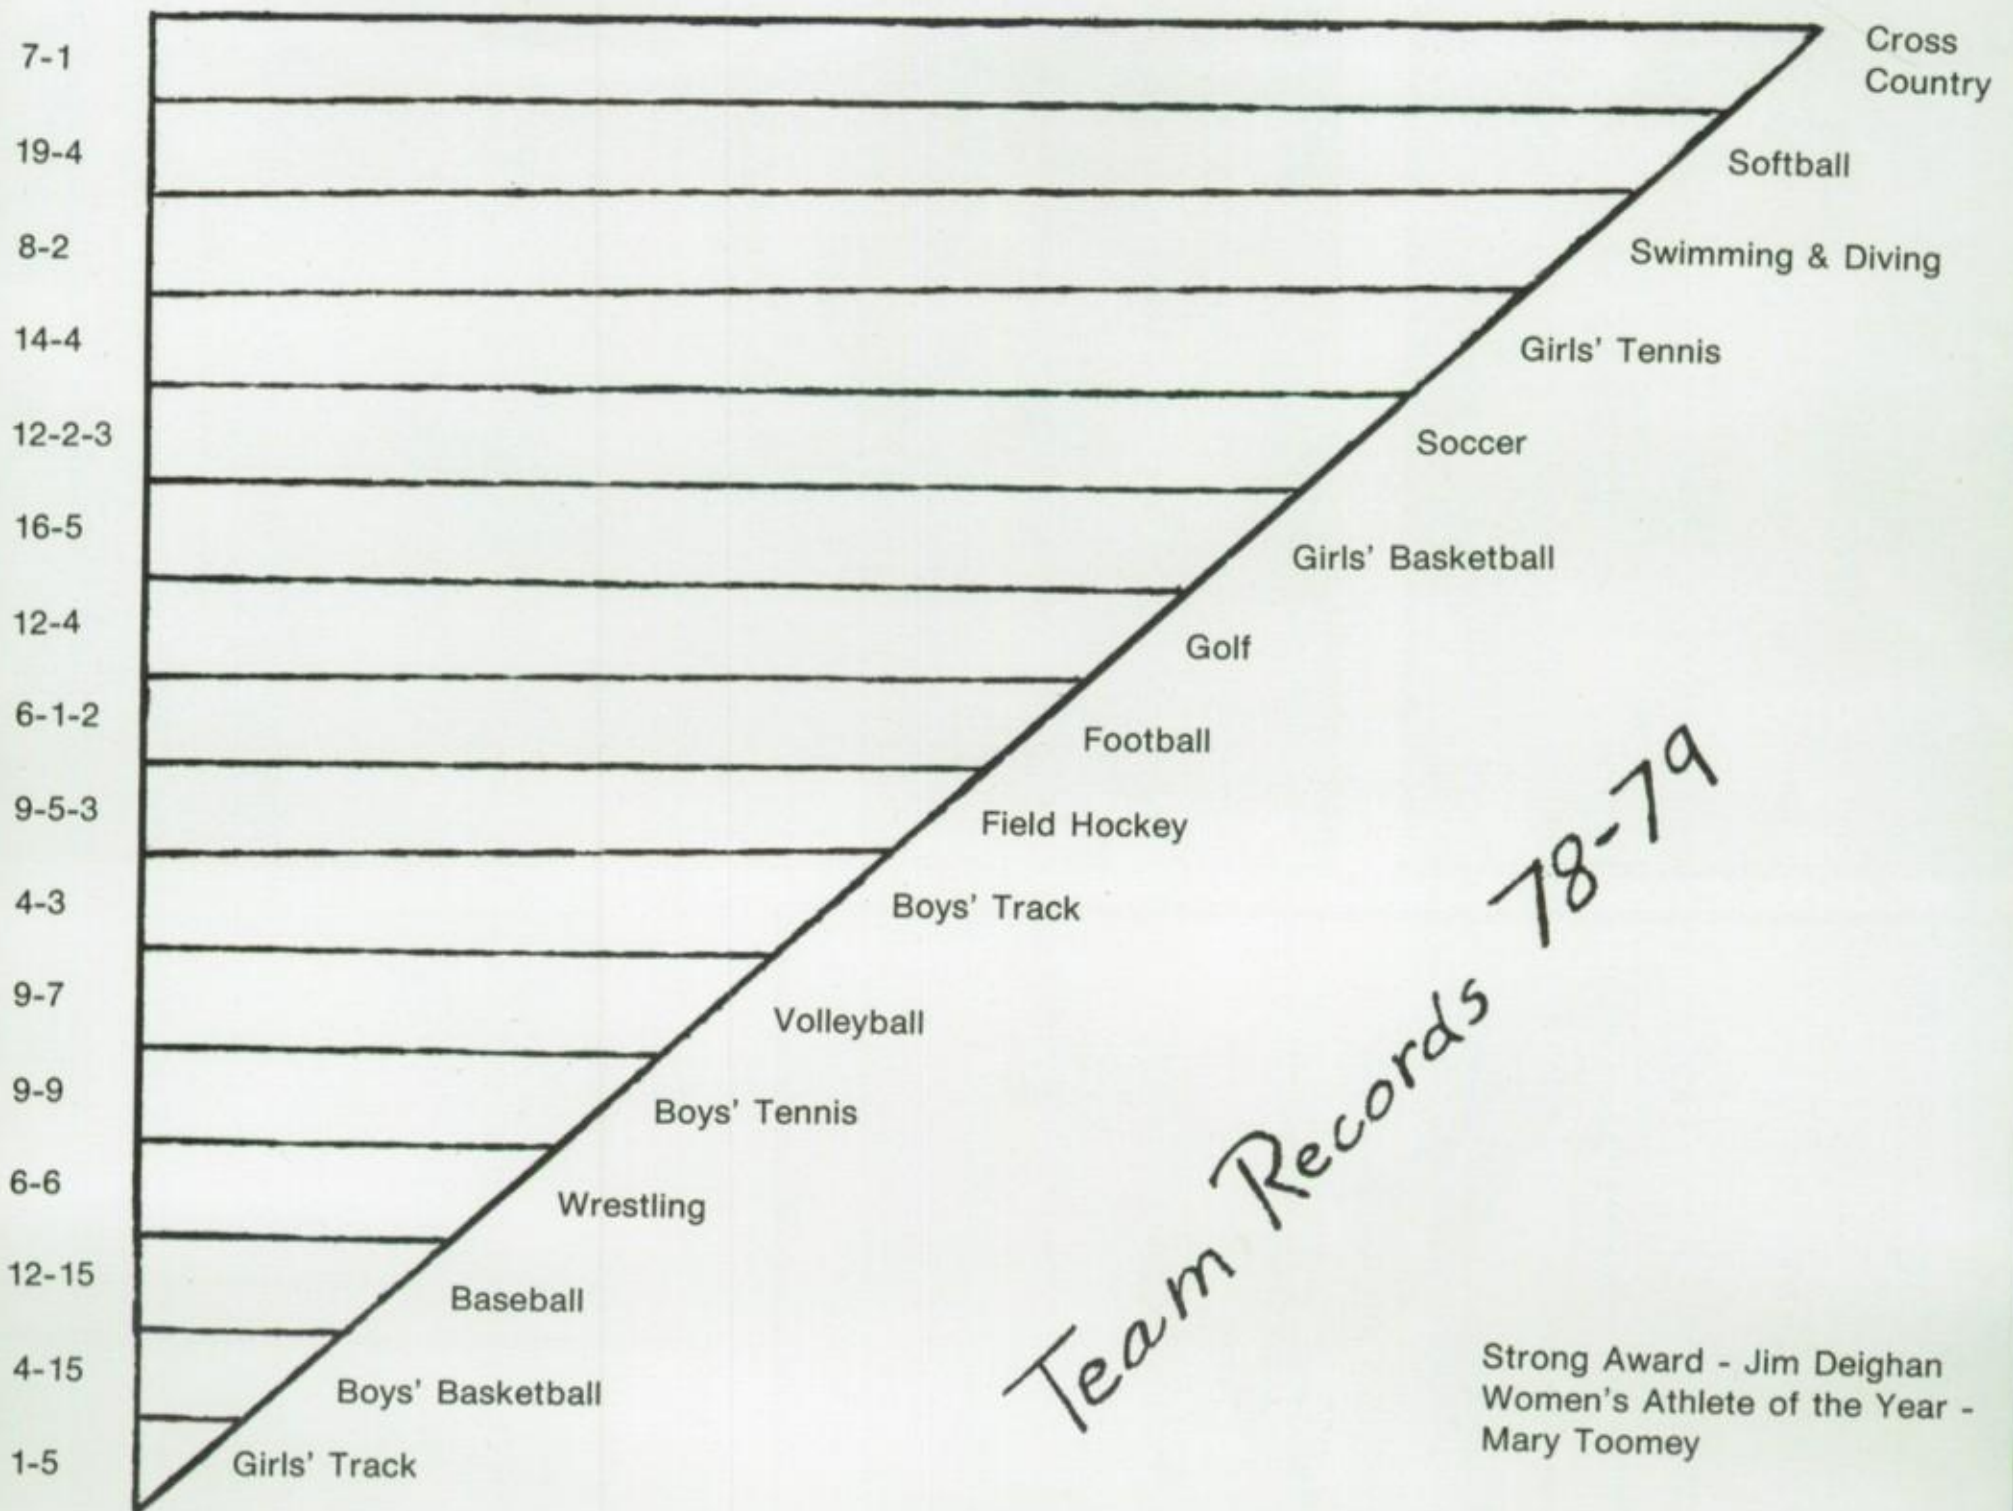

The distance men were led by senior, four year letterman, Greg Doull. Doull finished third at the sectional in the two mile with a 9:57.2. This broke the old school record by 15 seconds. The surprise of the season was freshman, Eric Hamilton. In the sectional Hamilton set a new school record in the mile (4:34.9). In the 880 at the district, Hamilton not only cruised to first place but he set a new school record of 1:57.8. Armen Najarian, Hamilton, Len Slodov, and David Scharff made it to the district in the mile relay but just missed qualifying for state. (Scharf qualified for districts in 220). Sophomore Todd Kneale remained at the heels of Doull all season in the two mile and placed sixth in the sectional meet.

Four year letterman Bob Hoge had the leading Class A pole vault in the city with a 13'6" vault. He won the sectionals in this event, placed second in districts and climaxed his season with an eighth place in the state meet. Another powerful senior was high jumper Doug Spaeth. He placed first in the sectional meet with a leap of 6'3/4" and scored sixty-two points. Sophomore Gib Kirkham also high jumped and cleared the 6' barrier. Dave Long, senior, ran the middle distance events. Junior Jay Sargent and Alan Wilde handled the long jumping chores. The squad's leader in points was sophomore Matt Harthun who accumulated 153 points. Hamilton was second on the team with 13 points.

The future of Boys' Track at Hawken looks very promising. Many underclassmen added much needed depth to the team. Their experience and talent will hopefully make future Hawken Boys' Track Teams powerhouses in the area.

What's a company like Eaton doing at Hawken School?

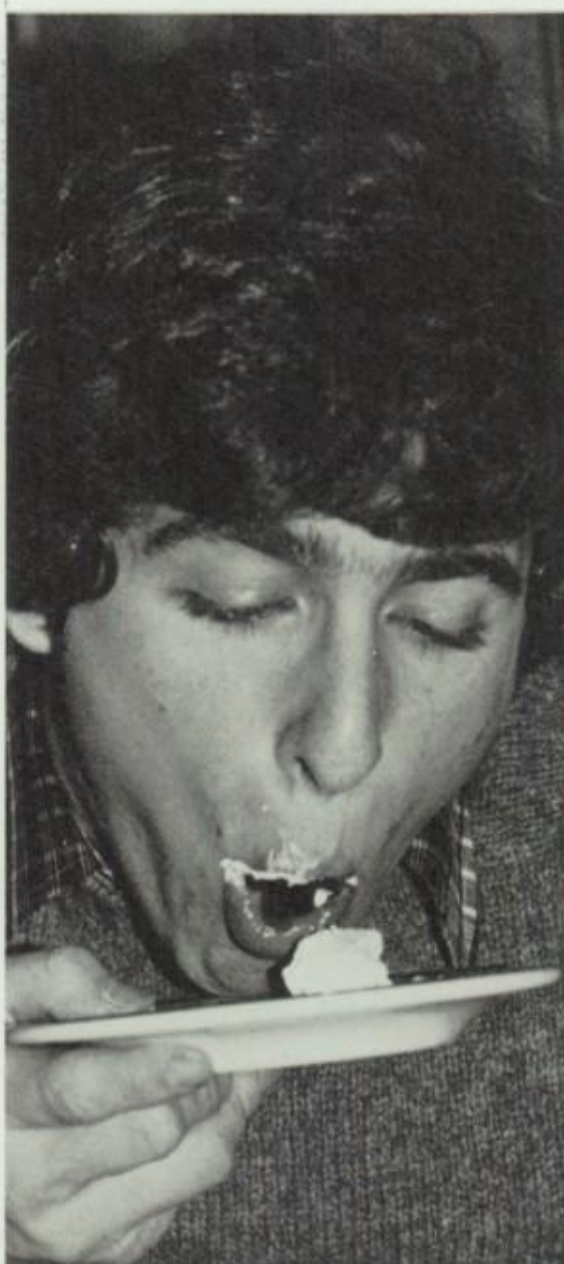

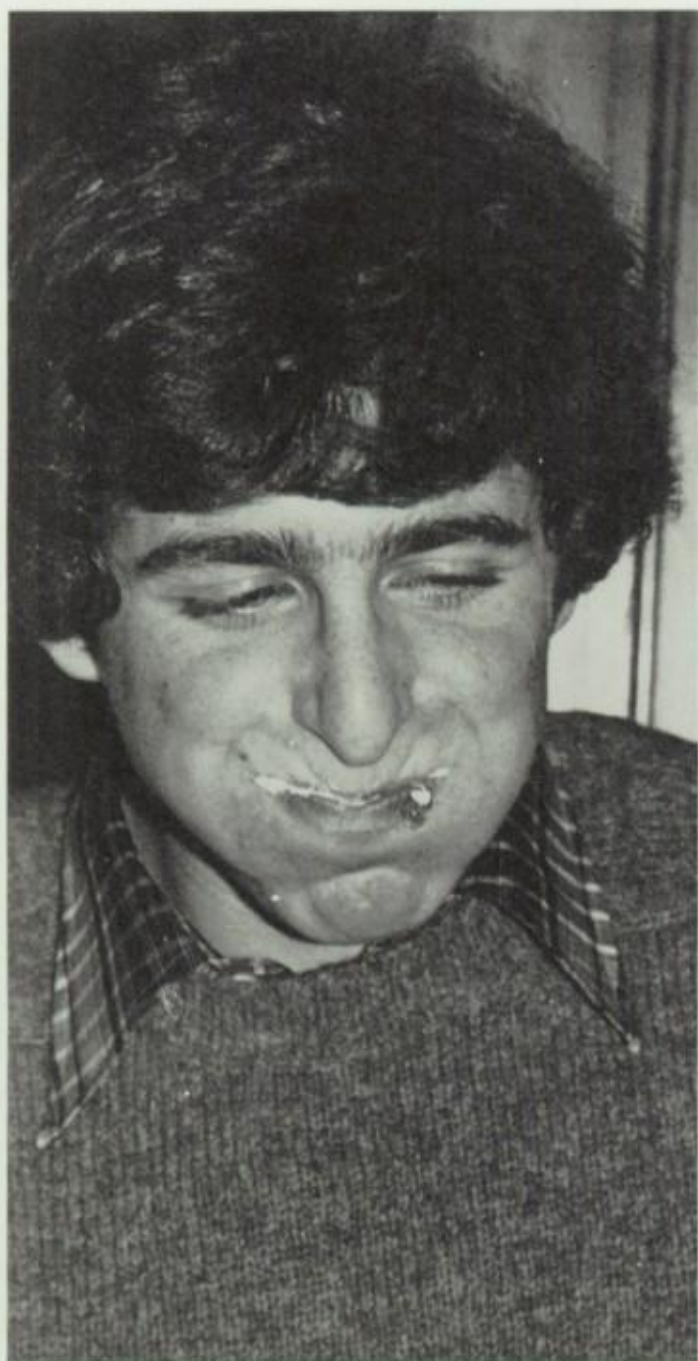

Looking after our business in our World Headquarters city. It's a business that demands talented and dedicated people in research, engineering, manufacturing and marketing. And they don't grow on trees.

If we don't help to make the cities we work in good places to live in . . . socially, culturally and recreationally . . . it gets harder to attract people who can maintain the standards our customers expect of us.

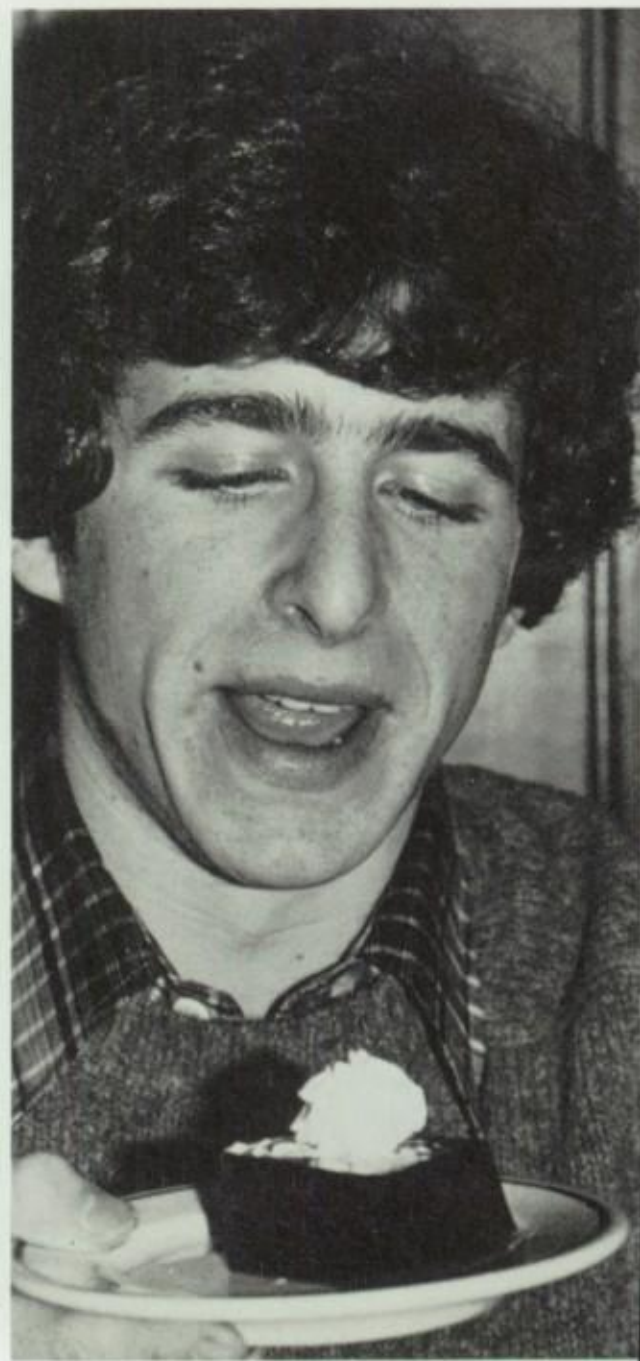

And we have plenty of competitors in Cleveland and other cities . . . and other countries . . . for our truck components, automobile components, electrical and electronic systems and sub-systems, materials handling vehicles and systems, industrial power transmission systems and components, and appliance controls.

If we don't attract the best people, our competitors will. In American business, that's the way it is. Eaton Corporation, 100 Erieview Plaza, Cleveland, Ohio 44114.

The Eaton logo is displayed in a bold, black, sans-serif typeface. The letters 'E', 'A', and 'T' are connected, as are the letters 'E' and 'N'. A single dot is positioned between the 'T' and the 'N', creating a stylized 'EAT•N'.

DOCKSIDERS BY

SEBAGO

Hit the deck in Dockside. Superior Sebago quality is everywhere. From the white rubber, sure-grip, non-slip sole to the elk-tanned cowhide upper that resists scuffing and fading, this sure-footed Sebago is made in the U.S.A. by skilled Maine craftsmen. Available in a wide range of sizes for the whole family.

Find, Mine, Improve, Move to Market

PIONEERS ... our reputation as a world leader in iron ore development is based on nearly 130 years' experience in research, engineering, mining, and processing. Our diversification includes uranium exploration, oil shale research, other non-ferrous minerals programs, and forest products.

Producers ... mines managed by Cliffs in Australia, Canada, and the U.S. produced 29 million tons of iron ore in 1978. About 3.5% of the world market and 13.5% of North American production. Our customers and partners are among the largest steel-makers in the world.

Planners ... raising capital for new mining ventures is key to our total resource package. We combine proven reserves with all essential infrastructure, power, transportation, and well-trained labor.

Performers ... our 1978 revenues and earnings were at record highs. Since 1973, revenues have increased 117% . . . earnings 101%.

I am very grateful to everybody who helped put together this yearbook. I would, however, like to thank individually these special people...

Mrs. D for her encouragement and enthusiasm
Mr. Nelson for getting us through the "crisis"
with so much expertise

Mr. Prentner for all his help and advice
Steve Crompton for photographs
my parents for their patience with me during
endless meetings

Patrons + Advertisers for the much needed
financing

Ted, Debbie, Lisa, Betsy + Bethie for their
invaluable contributions and moral support

And Especially
Hawken School for enhancing this book with
its character, diversity, and vitality.

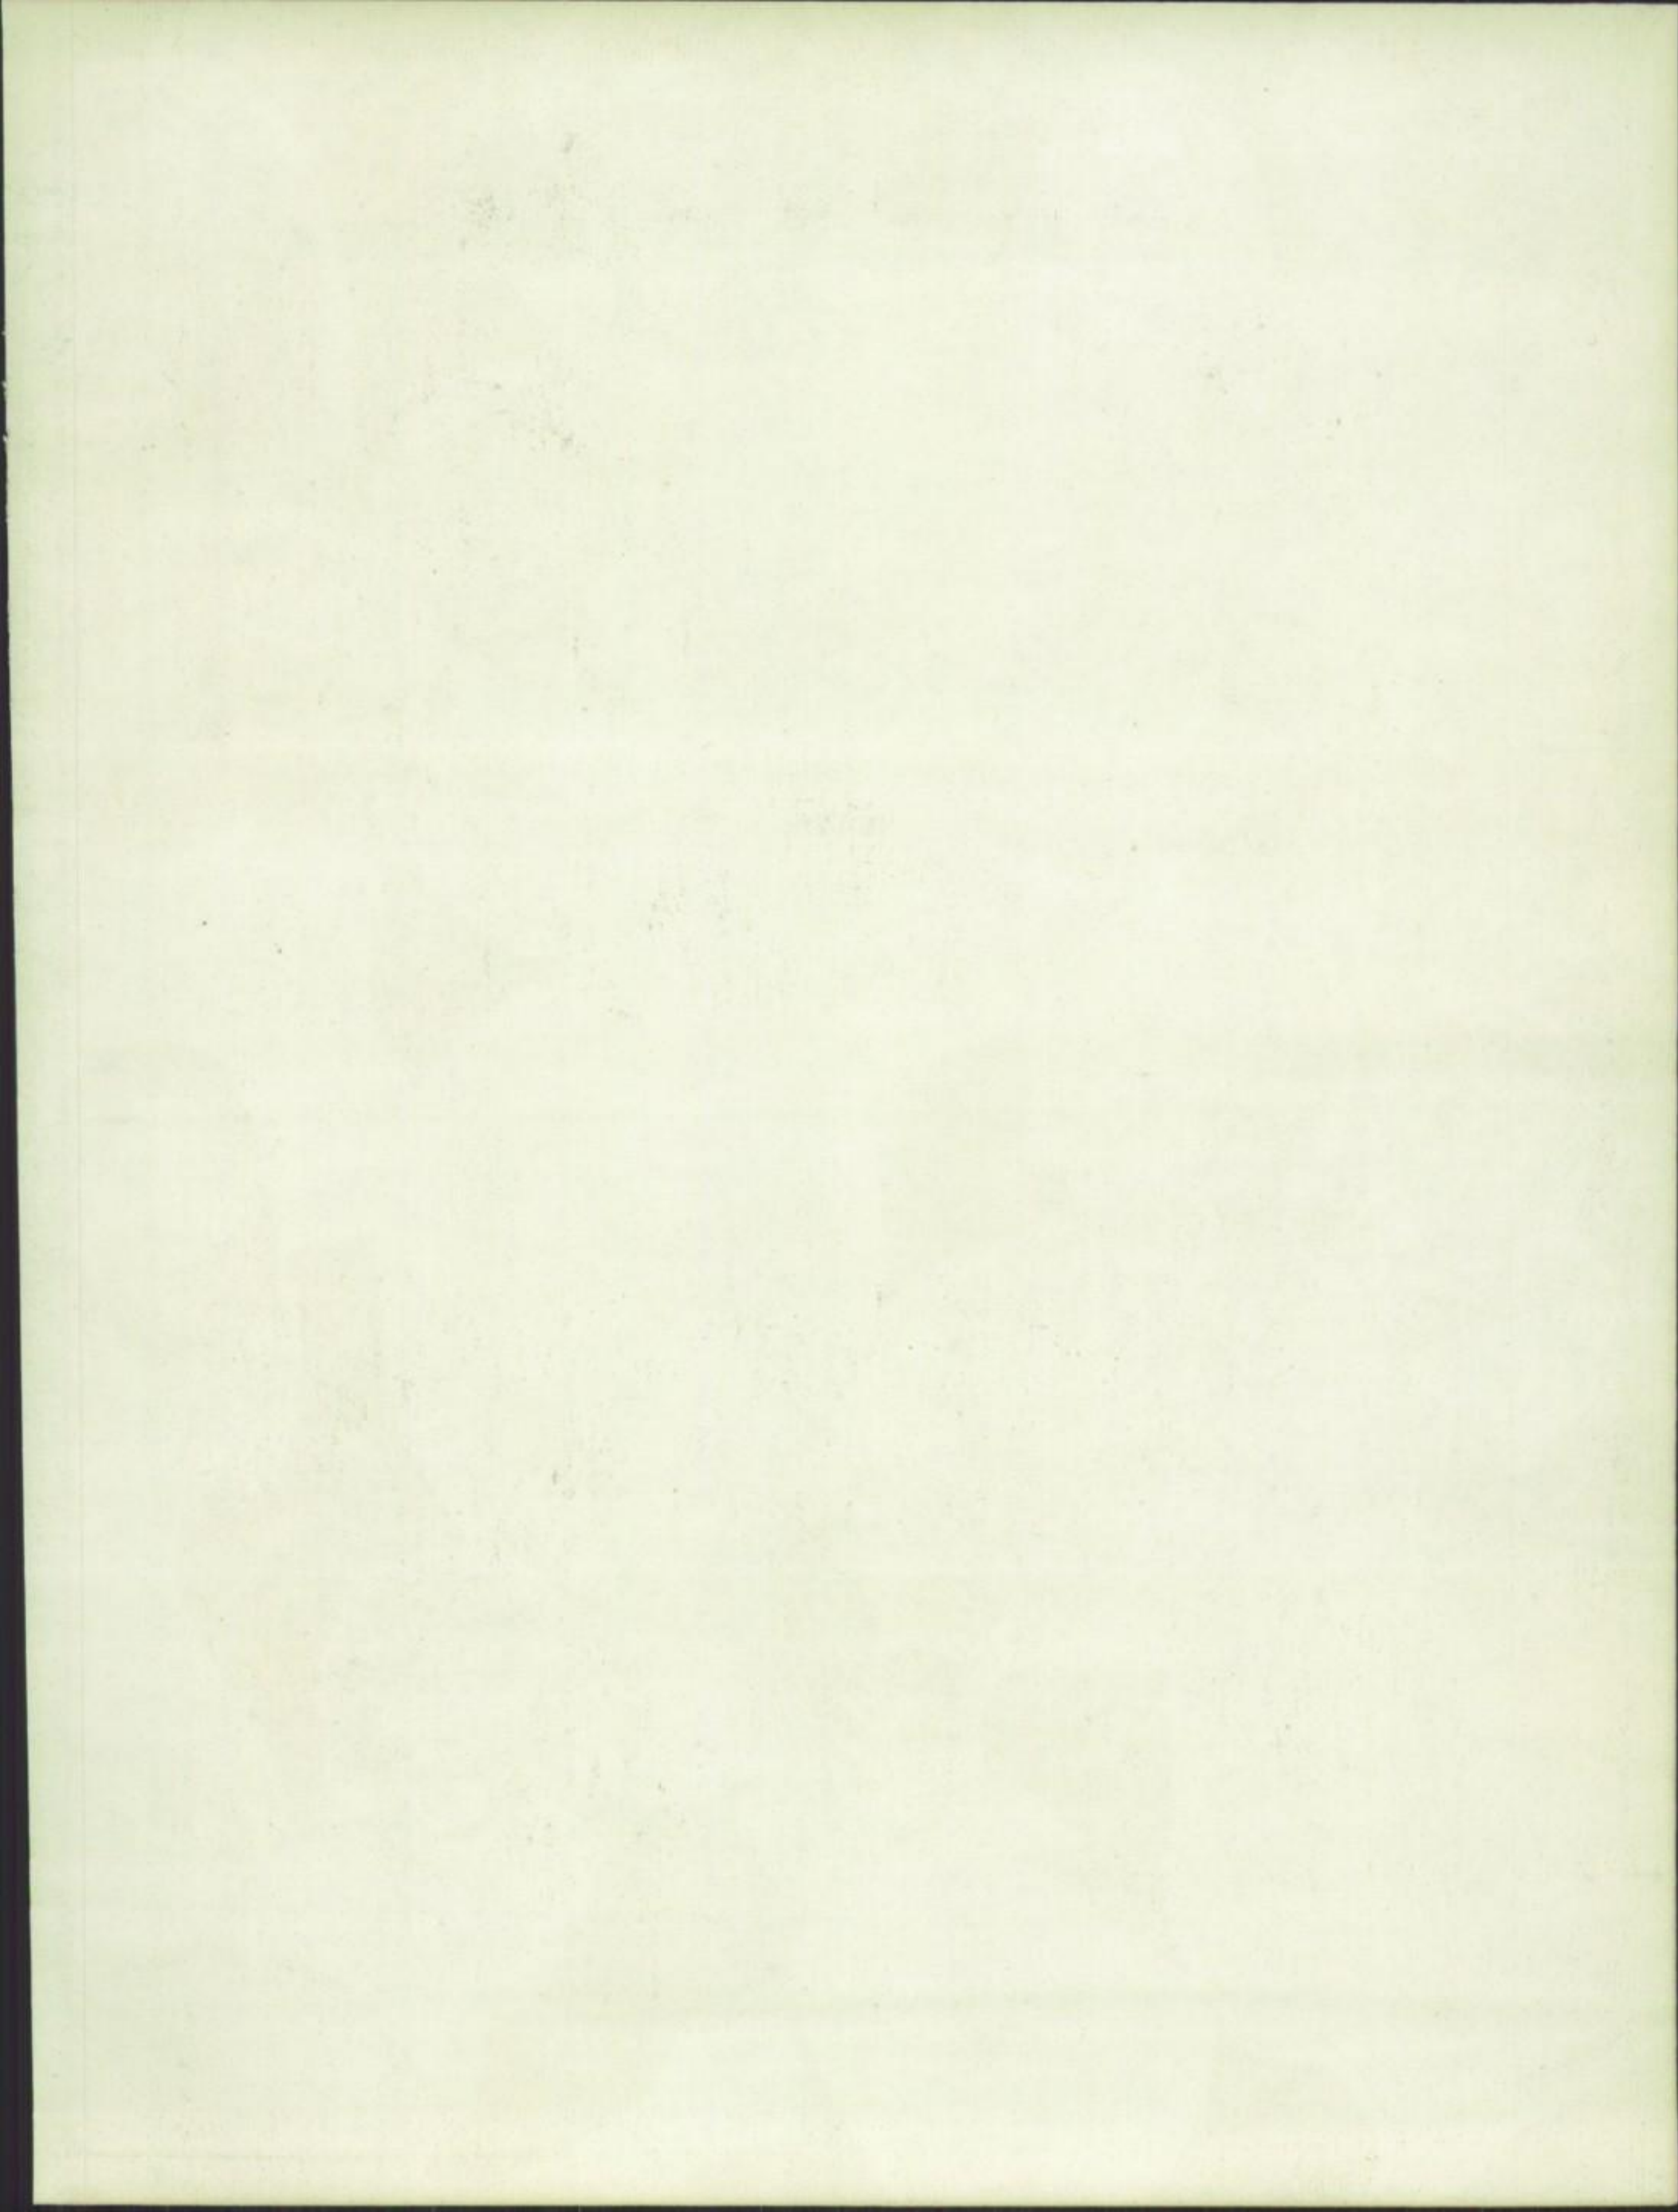

Many, many thanks!

Marty

*And the seasons - they go 'round and 'round
And the painted ponies go up and down
We're captured on a carousel of time
We can't return we can only look
Behind from where we came
And go 'round and 'round and 'round
In the Circle Game...*
